Email Subject line: INTERESTED IN JOINING THE LITTLE FREE LIBRARY SCAVENGER HUNT??

Dear Neighbor,

We are having a Little Free Library Scavenger Hunt on **Aug 7** (10-2 Kick off) in the **greater Smithville area** as a fun activity to help people unplug and take a break from technology. People are setting up hunts all over the globe and we are getting in on the action! This hunt will have a **gnome and fairy** theme.

Are you interested in participating as a stop in our neighborhood? To be included you just need to agree to:

- post a promotional flyer (attached)
- stock your library with books for that weekend
- put a clue on your LFL on **Aug 7**
- Optional - You can also add something additional IF you like (a wrapped treat, book mark, craft, dog treats etc) just follow covid safety guidelines for our area.

If you want more info or want to be included please email/call me at **marcysmithisawesome@gmail.com** or 808 428 4700 by **_____DATE.**

This event is brought to you by the Unplug Collaborative, a 501c3 and home to the National Day of Unplugging. Go to www.nationaldayofunplugging.com. Hope you can join in this fun activity for our Little Free Library community!

Sincerely,

Marcy Smith
