## Brooke County Schools' Mission

In our community of caring, we are invested in promoting strong relationships, continuous improvement, and building tradition, excellence, and Bruin Pride!

**Brooke** The role of the **student** is to be present, engaged, collaborative, prepared, respectful and an active participant in his or her education.

**County Schools'** The role of the **teacher** is to actively engage all students and provide them the necessary skills to reach their highest potential. Teachers must allow students to practice problem-solving, critical thinking and be taught effective collaboration skills. Lessons must be challenging to all students!

**Core Beliefs** The role of the **school** is to provide a safe, nurturing, caring, inviting, positive climate and culture with opportunities for academic success that enable students to develop into responsible productive citizens.

The role of the **parent** is to work cooperatively with the school to provide his or her child with opportunities to succeed.

The role of the **administrator** is to provide guidance for embedding 21st century research-based instructional design, management, fiscal efficiency, delivery and assessment systems that result in highly engaged students who achieve high levels of performance in a 21st century curriculum.

Our observation and walk-through process asks the question, "**Would I put my child in this class?**"

The role of the **central office staff** (Directors/Coordinators, Superintendent, Deputy Superintendent) is to be a support system for all principals and staff. Provide guidance, feedback, collaboration, problem-solving techniques and leadership strategies to assist with ensuring all students have the necessary life-skills once they graduate from high school.

Dear Brooke County Schools Family!

Serving as Brooke County's Superintendent is truly a blessing and tremendous responsibility. I take my obligation seriously and will perform my job with passion, determination and commitment. Together, we are making Brooke County Schools, "The Place to B!"

I want to take this opportunity to thank the Board of Education for having faith in me to serve as the 10th Superintendent of Brooke County Schools. I would like to thank the staff for their dedication, hard work and commitment to providing our students with the best possible instruction every single day! Entering my 7th year as Superintendent, I have been fortunate to visit all of our schools, to meet all staff members, students, local community groups and businesses that continually support our schools.

I continue to know and understand the aspirations for our county's students. We will continue to have sincere and candid conversations to help guide the direction of the school district. My leadership style is visible, approachable, collaborative and inclusive. While we might not always agree, I will interact with folks in an honest, open, and respectful manner; we need each other to ensure our children's future.

One of my main goals is to be visible in our schools and community. By being visible, this will provide valuable insight into the operations of the schools and district. Parents play a very important role in the development of students. Developing partnerships is vital to our collaborative work. The children who succeed are usually those with someone behind them encouraging, pushing, and aiding them along the way. Working in concert with parent organizations and local officials is essential to the success of our mission. Of equal importance is building positive, professional relationships with district leadership and staff members throughout our school district. Seeking feedback and input will be a cornerstone of my efforts to help build the best school district possible.

We can work together to make a great school district one of the best, that allows students to expand their knowledge and understanding of numerous areas that will help prepare them for the challenging 21st Century job market.

This handbook is designed to provide important information concerning the expectations and guidelines that help govern our day to day operations. Our children and their future will always be our district's purpose. We look forward to another grand opening of school and will strive to make the 2025-2026 the best school year we can for our students and community making up Brooke County School's family!

Bruin Pride!!!

# General Information

---

## Admission Requirements

The adult who seeks to enroll a student must present to the school secretary:

- a certified copy (raised seal) of the student's birth certificate that has been issued by the state registrar of vital statistics or affidavit
- immunization documentation, (proof of immunization against diphtheria, polio, pertussis, measles, rubella, and tetanus),
- signed suspension and expulsion documents
- proof of residency
- any other documents required by federal, state, and/or local policies or code

## Child Nutrition

Brooke County Schools participates in the National School Lunch Program (NSLP) and School Breakfast Program (SBP). Our meal programs are served via Offer versus Serve (OVS). OVS is a provision in the NSLP and SBP that allows students to decline some of the food offered. The goals of OVS are to reduce food waste in the school meal programs while permitting students to decline foods they do not intend to eat.

All Brooke County students are eligible for **free** meals through the Community Eligibility Provision (CEP) program. The CEP is an alternative to collecting, approving, and verifying household eligibility applications for free and reduced-price eligible students in high poverty local education agencies. If at least 40 percent of a school's students are directly certified for free meal benefits, the entire school qualifies for the option.

For a meal to be free to the student, they must take appropriate components. The components at breakfast are grains (with optional meats/meat alternates allowed); juice/fruit/vegetable; and milk. Under OVS, a student must be offered at least four food items and must select **at least three** food items, **one** of which **must be ½ cup of fruit or vegetables**.

At lunch, schools must offer students all five required food components in at least the minimum required amounts. The components at lunch are meats/meat alternates; grains; fruit; vegetables; and fluid milk. Under OVS, a student must take **at least three** components in the required serving sizes. **One selection must be at least ½ cup from either the fruit or vegetable component**.

If a student simply wants milk to go with their lunch brought from home, the cost is \$0.40. If a student wants an extra/second meal, the cost is \$4.50 for breakfast and \$5.50 for lunch. This will be charged at the point of sale.

Parents and guardians of Brooke County students who received meals prior to the county CEP are still responsible for paying the remaining balance of their child's school meal bill. Bills will be sent out bi-monthly. However, you can contact the Child Nutrition office if you would like to check your child's bill at any time.

## Share Tables

Share tables are an excellent way for child nutrition programs to reduce food waste and help hungry kids get their fill. If a child decides they no longer want all the food put on their trays, they can place **select foods** they don't want on the share table for other students/program participants to eat. Select foods include:

- Unopened, pre-packaged, shelf-stable items, such as granola bars, cereal packs, crackers, ketchup, and drinks.
- Wrapped fruit and vegetables and fruits with a thick skin, like bananas, oranges, and washed apples, if the peel is intact.
- Unopened, pre-packaged string cheese, yogurt, and milk.

Foods that are **not acceptable** include:

- Unpackaged food items, such as a salad bowl without a lid, cooked green beans, or any other food without a seal or casing.
- Packaged items that have been opened, or otherwise compromised, such as an open bag of baby carrots.
- Packaged items that can be opened and resealed.
- Food items brought from home.

### **Special Dietary Needs**

Brooke County Schools may provide meal modifications for children with disabilities only when requests are supported by a written statement from a State licensed healthcare professional, such as a physician or nurse practitioner (medical statement). The medical statement should include a description of the child's physical or mental impairment that is sufficient to understand and how it restricts the child's diet. It should also include an explanation of what must be done to accommodate the disability. In the case of food allergies, this means identifying the food or foods to be omitted and recommending alternatives.

If you would like a copy of the medical statement. You can contact the Child Nutrition Coordinator or visit <https://wvde.us/student-support-well-being/child-nutrition/special-dietary-needs/>

### **Nondiscrimination Statement**

In accordance with federal civil rights law and USDA civil rights regulations and policies, the USDA, its agencies, offices, employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the state or local agency that administers the program or contact USDA through the Telecommunications Relay Service at 711 (voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

1. Mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Mail Stop 9410, Washington, D.C. 20250-9410;
2. Fax: (202) 690-7442; or
3. Email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

USDA is an equal opportunity provider, employer, and lender.

## **Transportation**

Riding a bus other than the one to which a student is assigned is strongly discouraged. If an “emergency situation” arises, parents/guardians requesting a bus change must send a letter to the school principal stating the request. This letter must clearly state:

- ◆ the bus number
- ◆ full name and address of the person’s house chosen as the destination
- ◆ a phone number where someone may be reached in the event of an emergency

If the situation arises after the child is at school, the parent/guardian must call the school, not the bus garage, to get permission to ride a different bus. The parent/guardian must provide the above information to the school secretary. A child who has requested to go to another child’s house for a nonemergency purpose via the bus will not be granted.

## **Regulations for Pupils Transported in School Buses**

Key Policy Notes: 4336

Section 2, A. Responsibilities of parents. Parents shall:

1. Provide written guidance regarding any special care a student may need while riding the bus.
2. Parents are responsible for providing supervision for all K-3 students at all bus stops until the bus arrives for both pickup and delivery. 4.1.3. The county school system may terminate bus transportation service if a parent persistently fails to meet the bus at a designated stop. For these situations, due process procedures shall be made available to the parents and students.

Section 2, C. Regulations for Students Transported on School Buses

### **Outside the bus, the student will:**

- Walk on the left side of the road facing traffic.
- Wait for the bus at the designated stop in an orderly manner.
- Board the bus in an orderly manner.
- Follow the school bus operator’s/aide’s instructions at all times.

### **Inside the bus the student will:**

- Be responsible for vandalism that occurs on a seat in which they ride.
- Keep the bus clean by not eating and drinking inside the bus except when medically necessary.
- Change seats only with permission of the school bus operator and when the bus is not in motion.

- Avoid unnecessary conversation with the bus operator.
- Keep head and arms inside the bus windows at all times.
- Report any open exit or released latch to the bus operator immediately.
- Provide enrollment information to the bus operator.
- Not ride in step-well or forward of front row of seats.
- Not stand while bus is in motion.
- Not use profane or obscene language.
- Not open emergency exits, except during emergencies, unless directed by the school bus operator.
- Not wear headphones or any type of earpiece that may prevent hearing a warning signal or horn while loading or unloading the bus.
- Comply with the Student Code of Conduct policy.
  - Students enrolled in West Virginia public schools shall behave in a manner that promotes a school environment that is nurturing, orderly, safe, and conducive to learning and personal social development.
  - Students shall help create an atmosphere that is free from bullying, intimidation, and harassment.
  - Students shall demonstrate honesty and trustworthiness.
  - Students shall treat others with respect, deal peacefully with anger, use good manners, and be considerate of the feelings of others.
  - Students shall demonstrate responsibility, use self-control, and be self-disciplined.
  - Students shall demonstrate fairness, “play by the rules,” and not take advantage of others.
  - Students shall demonstrate compassion and caring.
  - Students shall demonstrate good citizenship by obeying laws and rules, respecting authority, and cooperating with others.

These rules will be enforced by all drivers and principals.

### **Periodic Instruction**

School principals, teachers, and bus operators shall work cooperatively in instructing all school pupils with these regulations governing transported pupils. Special emphasis should be given toward pupil discipline while being transported on curricular and extracurricular trips.

## **School Health Services**

Every Brooke County school has a school nurse assigned to service its students.

### ***Health Services Provided to Students and Staff:***

- First aid for school injuries or sudden illness of students and staff.
- Immunization inspection of all students in accordance with school law.
- Monitoring students with chronic illnesses.
- Vision screening on referral from teachers or parents.
- Health counseling for students and staff
- Blood pressure screening of staff and students upon request
- Home visits as needed.
- Specialized Health Procedures as ordered by physician
- Instruction for on staff on CPR, First Aid, Basic and Specialized Health Procedures according to state guidelines.

### **Medication in School**

- All medications, both prescription and non-prescription, must have a doctor's or licensed health care provider's order as well as written parental consent to be taken during school hours. The Brooke County Schools Medication Administration Form provides space for these signatures. This form can be found in the forms section of this handbook on page 61. You can also get this form from your child's school office or on our website [Brooke.schoolwires.net](http://Brooke.schoolwires.net).
- It may be necessary to excuse a student from a class to take a prescribed or non-prescribed medication. It is within the correct time limit to take a medication 1/2 hour before or 1/2 hour after a prescribed schedule. If there are any questions, they can be discussed with the school nurse either by calling your child's school or by calling the high school at 527-1410, extension 5400.

- Medications are not allowed to be carried on the school bus and therefore must be dropped off at the school by a parent or guardian. Most medications are required to be kept locked in the nurse's office. However, with completion of the proper forms, a student deemed capable of self-administration may keep an inhaler or epi-pen on their person if recommended by the physician.

### **Family Educational Rights and Privacy Act**

- The Family Educational rights and Privacy Act is a federal law that protects the privacy of student education records. It also gives parents certain rights with respect to their children's educational records. Parents have the right to review the student's education records maintained by the school. They also have the right to request that a school correct records which they believe to be inaccurate or misleading. Schools are allowed to share school records without consent to the following parties or under the following conditions:
  - o School officials with legitimate educational interest
  - o Other schools to which a student is transferring
  - o Specified officials for audit or evaluation purposes
  - o Accrediting organizations
  - o To comply with a judicial order or lawfully issued subpoena
  - o Appropriate officials in cases of health and safety emergencies and
  - o State and local authorities within a juvenile justice system, pursuant to state law.

### **Directory Information**

According to the Federal Family Educational Rights and Privacy Act of 1974 (FERPA), directory information about students may be released by Brooke County Schools without parental consent, provided annual notification has been given and the school does not have on file written denial to release directory information. The primary purpose of directory information is to allow Brooke County Schools to include this type of information from your child's education records in certain school and district publications, local newspapers as well as agencies like class ring and year book companies.

Examples of general directory information are:

- Name address, telephone, electronic mail address
- Participation in officially recognized activities and sports
- Weight and height of athletes
- Date of graduation, degrees and awards received
- Programs, playbills, etc.
- School yearbook information
- Pictures on school web sites
- News publications such as honor roll listings

Please understand that directory information includes but is not limited to all of the examples listed above.

**Please contact your child's school in writing within 10 calendar days of receipt if you wish to refuse the release of any or all items as directory information.**

## **EMERGENCY SCHOOL CLOSING PROCEDURES**

The Brooke County Board of Education and personnel throughout the county sincerely care about the well-being of the students. Their safety is of utmost importance. Emergency situations occur that warrant the closing of schools to protect the well-being of each and every student.

### **Under what conditions are schools closed?**

The primary reason for closing schools is unsafe road conditions caused by severe weather. Extreme snow, ice, cold, or flooding may result in the cancellation of school. In addition, failure of mechanical or electrical equipment in schools, epidemics, or other emergency situations could make it inadvisable to operate schools on certain days.

### **Who is responsible for making the decision to close schools due to Emergency situations?**

Chapter 18, Article 4, Section 10, relating to the School Laws of West Virginia, designates the Superintendent of Schools as the person to make the decision to close schools.

### **Will there ever be a need for a delay or late schedule?**

Yes, the Superintendent and/or his/ her staff, after carefully considering the conditions of various roads as well as the forecasts of weather stations, may decide to run a delayed schedule in order to give the state road crews more time to clear the roads. Buses will run on a two-hour delay, allowing time for the roads to be cleared. All personnel as well as students will adjust their schedules accordingly.

### **How will days be made up that are lost because of school closings?**

Brooke County Schools have 10 days that may be used as makeup days that are scheduled in the West Virginia Board of Education approved calendar.

### **How are parents, student, and community notified when schools are closed or delayed?**

When the decision is made to close or delay schools, the School Messenger Emergency Phone Messaging System will be utilized. Social Media outlets will be utilized to communicate with students and staff. Every household should receive a phone call informing you of the emergency plan. In addition, the following radio and television stations are notified to make the appropriate announcement:

#### **Stations/Channels:**

- WTOV9
- WTRF
- WVDE website
- Thrillshare

### **Can a bus operator make the decision to run his or her route?**

Yes, since a decision has to be made by the Superintendent at such an early time and since weather conditions can change drastically by the time school will begin, bus drivers are given the authority to make a second decision on their particular run if the road appears to be unsafe. The bus driver will notify his/her supervisor, other drivers, and the children involved.

### **What specific things should parents do to assist school authorities in emergency situations?**

- Have a phone, computer and/or TV available to listen to announcements of closing of schools.
- Have an **accurate phone number registered at school** with alternate numbers. Please notify the school of any changes in address, phone number, or anything that may hinder a school's ability to contact a parent/guardian in an emergency. Make sure to sign up for the Superintendents Remind account.
- Do not call or have children call the central office, transportation department, or principal's office unless it's absolutely necessary. All available phone lines are needed by the schools and school board office to communicate with each other, with radio and TV stations, and with other consulting agencies.
- Unless the school principal or teacher is properly notified in advance, each child will be released from school to return home in the regular manner. Notification to the school of special procedures for a child to follow should be in writing and signed by the parent or guardian. School board policy prohibits releasing a child from the school to anyone except the child's parents or guardian unless specific

permission is given by the parent or guardian to school authorities.

**What procedures will be followed if school has been called off before the normal dismissal time?**

- Efforts will be made to keep all schools open for a full day; however, if a severe storm hits during the school day and weather forecasts call for dangerous conditions, it may be advisable to dismiss classes earlier than normal. When this occurs, the School Messenger Emergency Phone Messaging System, Remind notifications and social media will be activated to notify parents and the above channels and stations will be notified. The emergency closing announcements will be made at the earliest possible time. Please have a written plan in place with your school if your child will need to be dropped off at a different location than is usually followed.

**Teacher Qualifications**

As a parent of a student in the Brooke County School System, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child’s classroom teachers and requires the district to give this information in a timely manner. Specifically, you have the right to ask for the following information about each of your child’s classroom teachers:

- Whether the West Virginia Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches
- Whether the West Virginia Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances
- Whether the teacher has any advanced degrees and, if so, the subject of the degrees
- Whether any teachers’ aides or similar paraprofessionals provide services to your child and, if they do, their qualifications

If you would like to receive any of this information, please call Corey Murphy, Brooke County Deputy Superintendent and Personnel Director, at 304-737-3481 extension 1002.

# Attendance

## **Attendance**

As we begin another academic year, it is imperative that we work as a team. All stakeholders must communicate and work together to promote learning opportunities for our students. Research states that students that are present and engaged in the classroom are much more successful in their academic endeavors. We will work to make meaningful contact with students and parents when attendance becomes a problem. Without parent support for learning, and student's attendance, valuable instructional time will be lost. If we work together, we will have a positive influence on every student's educational journey.

**An absence is defined as not being physically present in the school facility for any reason. Per West Virginia Policy 4110, a student will be permitted 10 total absences, unexcused or excused.**

### **Tardiness, 1/2 day absence**

- Students in attendance at least 74% of the day will be reported as a full day attendance.
- Students in attendance at least 50% of the day will be reported as a half day attendance

### **Primary and Intermediate Schools:**

- A student who arrives late will be marked tardy until 10:10. Those who arrive after 10:11 will be marked 1/2 day absent.
- A student picked up before 1:50 will be marked 1/2 day absent.
- Those who are picked up after 1:51 will be counted as an early dismissal.

### **Middle School:**

- A student who arrives late will be marked tardy until 9:11. Those who arrive after 9:12 will be marked 1/2 day absent.
- A student picked up before 1:23 will be marked 1/2 day absent.
- Those who are picked up after 1:24 will be counted as an early dismissal.

### **High School**

- A student who arrives late will be marked tardy until the end of 2nd period.
- Those who arrive after 2nd will be marked 1/2 day absent.
- A student picked up before the start of 7th will be marked 1/2 day absent.
- Those who are picked up after the start of 7th will be counted as an early dismissal.

## Excused Absences

- Illness or injury of the student with a physician's written verification
- Parental excuses
- Medical or dental appointment which cannot be scheduled outside of the school day and when the absence is verified in writing by the physician
- Illness or injury in the family when a physician verifies the student's absence as essential
- School-approved curricular or extra-curricular activities
- Calamity, such as fire in the home, flood, or other family emergency upon approval of the principal
- Death in the family with a limit of three (3) days except in extraordinary circumstances. "Family" is defined as mother, father, brother, sister, grandparent, aunt, uncle, brother-in-law, sister-in-law, children of siblings, student's child, or any person living in the same household. Verification is required from the funeral director
- Failure of a bus to run or extremely hazardous conditions. When a school is in session and the bus fails to operate or is unreasonably late, causing a student to return to his/her home, the child's absence is considered excused. Additionally, this excused absence shall NOT penalize the child from receiving a faithful (up to 5 days absent) or a perfect attendance certificate, if all other requirements are met
- Extenuating circumstances that may require participation in home/hospital instruction, due to an illness/injury or other extraordinary circumstances that warrants home or hospital confinement
- Court subpoena as a witness or pending outcome of individual's hearing with prior approval of the principal, or legal obligation with written verification with prior approval of the principal

## **What is Primary School?**

The primary school consists of grades K through two (2). The primary school concept entails the capacity of schools and programs to welcome families and be prepared to serve all children effectively within the developmental domains of health and physical development, social and emotional development, language and communication, cognition and general knowledge and individual approaches to learning. It is in the primary school that the foundation of all future learning is built. Children are taught the basic skills while further developing their creativity and problem solving skills. The foundation for exploration and collaboration are developed as educators provide a fully integrated comprehensive approach to learning. This concept provides access to a greater range of staff expertise and shared professional development which enhances student achievement.

According to educational research, parent involvement is integral to student success at this level. Central to this philosophy is that parents make sure the child is healthy, present and prepared daily for school, as well as supportive of homework, practice of basic skills and outside learning interests. In addition, we encourage family members to join the school's PTA and offer volunteer help within your child's school. Together we can prepare children for future learning and success in the intermediate school, middle school and beyond.

## **Appropriate Dress**

Students are encouraged to take pride in their appearance. All students are expected to dress and groom themselves neatly in clothes that are suitable for school activities. Acceptable clothing should enhance school safety, improve the learning environment and promote good behavior. Please select clothing that is suitable for working and play as well as appropriate for the weather. Parental cooperation is vital in this matter. The Brooke County dress code is found on page 37.

## **Attendance**

Students are expected to arrive promptly and attend school every day. Please see the county policy.

### **Homework**

We encourage all primary school students to read at least 20 minutes per night and practice basic math skills as needed.

### **Discipline**

In the state of West Virginia, all school discipline is outlined by Policy 4373, Safe and Supportive Schools. You can read excerpts of this policy under the discipline section of this handbook page 36 of this document or read it in its entirety on the Brooke County Schools webpage. Our primary schools use Positive Behavior Intervention Supports (PBIS) which focuses on rewards and consequences to teach appropriate behaviors.

### **Pyramid of Intervention**

Each classroom teacher will provide a classroom management plan (CMP) to correct minor disruptive behavior in the classroom. This plan will be given to your child to take home and is also available on the Brooke County Schools website. Simply choose your school and then your teacher from the list of staff members to review this plan at any time. Students and parents will be required to sign the CMP indicating that they have received and understand the plan. This is a shared responsibility of the teacher, student and parents.

Failure to follow a teacher's classroom management plan will result in a variety of interventions, possible loss of privileges and possible disciplinary actions.

### **Major/Severe Behavioral Infractions**

Severely disruptive behavior (as outlined in Policy 4373 Expected Student Behaviors) will not be tolerated in Brooke County Schools. If a student exhibits one or more of these major infraction(s), school administration will discipline students based on WV Code. # Brooke County Intermediate Schools

---

## **What is an Intermediate School?**

The intermediate school consists of grades 3 and 4. The intermediate school curriculum is broad and balanced in content and relevant to all learners' needs. Staff, students and parents benefit from a single vision and continuity and progression of learning. Third and fourth grade students are provided a fully integrated comprehensive approach to learning. Students in these grades are exposed to classroom instruction that integrates content standards, learning skills and technology tools. Students in the third and fourth grades will continue enhancing skills in a developmentally-appropriate progression of standards. This concept provides access to a greater focus on these developmental levels and a shared professional development among staff which enhances student achievement.

As in the primary school, parent involvement is integral to student success at the intermediate level. Central to this philosophy is that parents make sure the child is healthy, present and prepared daily for school, as well as supportive of homework, practice of basic skills and outside learning interests. In addition, we encourage family members to join the school's PTA and offer volunteer help within your child's school. Together we can prepare children for future learning and success in the intermediate school, middle school and beyond.

## **Administration**

Mrs. Jennifer Sisinni, Principal

Assistant Principals: Mrs. Megan Oleksy, Mrs. Kayla DiMarzio

## **What is Middle School?**

### **MISSION STATEMENT**

All children at Brooke Middle School will have the opportunity to achieve his or her full academic and social potential. This will enable them to become productive, responsible citizens in the 21st century.

### **SCHOOL PHILOSOPHY**

*Preparing today's students for tomorrow's challenges.*

We believe that education is a cooperative effort among school, home, and community. It is our responsibility to strive to meet the unique needs of students in grades 5 through 8 by providing a student-centered program and recognizing that students of this age are undergoing greater physiological, psychological, and social re-orientation than at any other period in their lives.

The overall purpose of Brooke Middle School is to meet the educational, developmental, and social needs that emerge in this transitional period. Our Middle School program provides a supportive and flexible environment so students will have opportunities to develop skills and explore a variety of learning experiences while making the transition from elementary to middle school and middle school to high school.

In keeping with this philosophy, Brooke Middle School will establish and provide the following:

- A core curriculum of language arts, math, science, and social studies
- An extensive advisory and counseling program.
- A supportive environment for the physical and social development of every student
- A gradual transition in programs from the self-contained classroom of the 4th grade to the departmentalized structure of the high school
- A positive climate that fosters self-esteem, self-discipline, and student responsibility
- Knowledgeable educators who are committed to the middle school design
- Close contact and communication between parents and the school
- A challenging curriculum and pace of learning to meet individual levels and understanding
- Opportunities for intervention and acceleration when needs are identified.

We believe these goals will be reached when the student, parent, and teacher assume responsibility. The student needs to attend school regularly, maintain a positive attitude, and make an effort to achieve these goals. Parents need to be supportive of the school system and encourage the students to learn. Teachers will strive for an optimal, professional approach to meet the individual needs of each student. We feel that when these responsibilities are met, maximum learning will be achieved for all students

### **EXPECTED BEHAVIORS**

There are five Bruins' Behaviors (Expected Behaviors) at Brooke Middle School. We encourage our students to follow these Expected Behaviors while at school, on the school bus, or during after-school activities.

- **Be present for class** - No lingering in the halls.

- **Be prepared** - Come to class ready to learn and complete your class assignments on time.

## **CLASSROOM MANAGEMENT PLAN**

Each middle school teacher will have a Classroom Management Plan. This plan will outline the specific rules and procedures required to provide structure and continuity within the classroom. This plan may also include specific classroom rules a teacher expects students to follow. Teachers are expected to review the Classroom Management Plan with every class. A student who does not follow a Classroom Management Plan will be subject to disciplinary action. Consequences of violations are outlined in the Brooke County Middle School Discipline Policy.

## **CLASSROOM DISCIPLINE PLAN & PROCEDURES**

Discipline in the classroom is guided by a teacher’s Classroom Management Plan, the Brooke County Middle School Policy, and additional WV Department of Education policies. This plan provides basic rules structured to provide an exceptional learning environment for every student. Every student is expected to follow a teacher’s Classroom Management Plan when attending classes and extra-curricular activities.

Failure to follow the Classroom Management Plan will result in disciplinary action or referrals to counselors or outside agencies, such as Juvenile Court. Disciplinary action could include lunch/recess detention, after-school

detention, internal suspension, external suspension, and/or exclusion from school-related activities. The consequences are outlined therein.

Discipline Plan Procedures: Students will be taught the Bruins' Expected Behaviors. Teachers will continue to review these expectations with students in their classrooms about the school discipline procedure throughout the school year. There are four levels of disciplinary consequences at BMS: Lunch detention, After School Detention, ISS (Internal School Suspension) and OSS (Out of School Suspension.) These disciplinary consequences follow Policy 4373, Expected Behaviors in Safe and Supportive Schools.

- Lunch detention and after school detention may be a consequence of any Level 1 violation. The office may not notify parents of lunch detention, but the fifth consecutive lunch or after-school detention may result in one day of Internal School Suspension. (ISS) With parental consent, after school detention may be assigned Monday through Thursday from 2:30 through 5:00 pm. There is an activity bus available to pick students up from BMS at 5:00. Parents may pick students up at school after the after-school detention is completed at 5:00 pm.
- ISS may be a consequence for Level 1 or 2 violations. Parents will be notified by the school of their student's placement in Internal Suspension. In School Suspension will be held during the school day.
- OSS may be a consequence for Level 1, 2, 3 or 4 violations. Any violation of the discipline policy that is of a volatile nature will bypass all preceding steps and the involved students will go directly to the school office.

### **CAFETERIA GUIDELINES AND PROCEDURES**

Every student is assigned a 35- minute lunch period. They will stay in the cafeteria for the lunch period.

#### **Expectations of Students in the Cafeteria:**

- Use of appropriate behaviors and good manners.
- Have no more than four students per bench.
- Clean up after themselves and discard their trash and stack trays in the designated area.
- KEEP CELL PHONES OFF & AWAY – They are NOT to be brought into the cafeteria.
- ***Absolutely NO ENERGY DRINKS. They are NOT permitted in Brooke Middle School!***
  - Outside beverages (i.e.: Starbucks Frappuccino, McDonalds Frappes, milkshakes) are not permitted in Brooke Middle School. Students entering the building with these will be asked to discard them.
- Please do not send 2-liter bottles of soda for your child for lunch.
- If your child forgets their lunch, do not bring food in the "restaurant" bags (Wendy's, McDonalds, etc.)
- Please do not order DoorDash or Pizza for your child while at school. These will not be given to your child to eat in the cafeteria.

### **ATTENDANCE AT BMS**

It is important that students are present each day and arrive at school ready to learn. A student is considered tardy (late) at 7:20 am. A student who arrives late will be marked tardy until 9:11. Those who arrive after 9:11 will be marked ½ day absent. A student picked up before 1:23 will be marked ½ day absent. *Student absence excuses will be accepted for up to THREE DAYS following the student's absence. After the THREE days, no excuses will be accepted. For students to be successful, they must be IN school ON TIME and STAY throughout the entire school day.*

Homeroom classes will be in a daily competition for attendance. Our Community in Schools (CIS) Coordinator will reward letters for each day that a homeroom has 100% attendance. Rewards will be given when a homeroom spells their assigned word. Each level gets harder as each word gets longer. Come to school and be here on time so that your homeroom can win a reward.

### **ATTENDANCE AT BMS (Continued)**

If students do not bring in an excuse, the absence is considered UNEXCUSED. **EXCUSES MUST BE TURNED IN WITHIN 3 DAYS OF THE STUDENT'S RETURN TO SCHOOL. NO LATE EXCUSES WILL BE ACCEPTED BEFORE PBIS TRIPS.**

*Parents, please understand, students have a TOTAL of NINE absences per year before they are considered truant. When students have accumulated a total of five absences, a CA-2 Meeting will be required with the counselor(s) and the principal(s). At a total of ten absences, a mandatory meeting with the school-based probation officer will be held. If families decide not to participate in the pre-trial diversion, a petition will be filed in court.*

### **EARLY DISMISSAL: (before 2:24)**

Students will be permitted to leave early for a doctor's appointment. However, an excuse will be needed upon their return to school the next day for it to be an "excused" dismissal. We will be utilizing out-of-building passes this year to ensure students are being picked up by an approved adult.

### **LOCKERS**

Lockers will be assigned at the beginning of the school year. Locks are pre-installed on lockers and must be utilized by students. All students will have their own locker. Students' book bags must be kept in the lockers throughout the day. Please keep this in mind when purchasing a book bag; extra-large items will be difficult to store.

### **CELL PHONES/SMART WATCHES & ELECTRONIC DEVICES**

While at Brooke Middle School, you are not permitted to use cell phones or smartwatches for communication. Upon entry to the school, student cell phones and/or smart watches must be turned off or placed on silent mode. Before going to homeroom, students should place their cell phones/smart watches in their locker. All lockers have "built-in" locks on them. Students are discouraged from sharing their combination with others. As an alternative to storing their phones in their lockers, they may give them to each individual teacher upon entry to class.

Brooke Middle School staff hold no responsibility for theft or damage to your cell phone/smart watch while at school. Students who fail to comply will be subject to disciplinary consequences as stated in WV Policy 4373.

### **AIR PODS/ HEADPHONES**

Use of AirPods/ Headphones will only be permitted in class during a school-related assignment as instructed by a teacher. Students are not permitted to wear AirPods/Headphones at any other time, in any location of the building, throughout the school day. This includes the hallways, cafeterias, and restrooms. If students choose to bring AirPods/Headphones to school, Brooke Middle School holds no responsibility for theft or damage to personal electronic items while at school. Students who fail to comply will be subject to disciplinary consequences as stated in WV Policy 4373.

### **WINBOOKS/COMPUTERS**

Students will be issued Winbooks for use at school. This device will be permitted to go home with the student. A Student BCS Chromebook Contract will be sent home and will provide students and their parents/guardians with information about taking care of the equipment, using it to complete school assignments, and following BCS policies.

Students and their parents/guardians are reminded that the use of technology is a PRIVILEGE and not a right. Activities on any device, network, or electronic communication device can and may be monitored by Brooke County Schools, the West Virginia Department of Education, and/or additional entities. Inappropriate use of the technology will result in disciplinary action. Students and their parents/guardians are responsible for reviewing the Chromebook Agreement and the Acceptable Use Policy.

### **DIGITAL/ REMOTE LEARNING/NTID (Non-Traditional Instructional Days)**

In the event we are instructed to utilize digital/remote learning, students will receive assignments through their teachers' Schoology account. ALL SNOW DAY ASSIGNMENTS will be posted on Schoology, unless otherwise instructed by your child's teacher.

### **STUDENT GRADES, ASSIGNMENTS, AND TEACHER COMMUNICATION**

On the first day of school, your child will be receiving information for you regarding a Schoology account. Schoology is our online grade book and will be where you can find your child's missing work, grades, and NTID work (during school cancellations). It will also serve as the communication tool between teachers and families. Remind will not be used in classes this year.

### **STUDENT GRADES & GRADE REPORTS**

Throughout the year, students will receive a progress report (halfway through each 9-week grading period), a report card at the end of each 9-week grading period, and student failure notices (if applicable). All of these are to be SIGNED and RETURNED to school. If your student does not bring these items home for you, please reach out to the main office. We will print a new copy for you and mail it home.

### **USE OF MEDICATION**

According to state law, use of medication in school (prescription drugs as well as non-prescription drugs) must be ordered by a physician and administered and supervised by a trained member of the school staff. This form can be found on the Brooke Middle School Website. The following procedure will be followed:

- Parents may obtain medical forms in the school office or website.
- The parent is responsible for completing the top portion of the form and a physician is responsible for completing the bottom portion of the form. The form needs to be provided to the nurse or information may also be presented on a prescription form.
- Any medication brought to school will be stored in a secure area, accessible only to trained school personnel. All prescription drugs should be brought to the school by the parent. Unused medication will be returned upon parent request.

### **VISITORS**

Anyone visiting the school must report to the office. If it is necessary to speak with a student or teacher directly, the office personnel will make the proper arrangements. Visitations with individual teachers may be arranged by contacting the teacher or by requesting an appointment through the office.

### **ATHLETIC ELIGIBILITY**

### **Athletic Eligibility**

Brooke High School is a member of the West Virginia Secondary School Activities Commission (WVSSAC) and the Ohio Valley Athletic Conference (OVAC) and will follow the requirements for participation in extracurricular athletic activities as defined in West Virginia Board of Education Policy 2436.10.

Policy 2436.10 states: 1. A student must be enrolled in either regular public high school or virtual school for at least four classes. 2. Eligibility for participation in extracurricular activities covered in this policy is determined by the student's grade point average in the previous semester. To be eligible to participate in covered activities, a student must maintain at least a 2.0 grade point average for the previous semester. This is an average of all curricular offerings in which a student participates.

A student must be present in school for a minimum of ½ day to practice or participate in any school extracurricular activity and/or co-curricular activity. The only exceptions to this rule are pre-arranged college visits, physician appointments, or absences approved by the Assistant Principal/Athletic Director. If a student is absent from school on a Friday, he/she will not be able to participate the remainder of that day or Saturday. The student must also comply with the following in order to participate:

- Have a physical examination conducted after May 1st.
- Complete an emergency form.
- Be enrolled in classes equaling at least 4 credits.

### **Attendance and Grade Requirements**

Students must meet all state and local attendance requirements and maintain a 2.0 grade point average in order to participate in non-academic extracurricular activities (e.g. interscholastic athletics such as football, basketball, track or wrestling; cheerleading; student government; class officers in grades 6-12). Eligibility is determined for each semester by a student's grade point average for the previous semester. Those students participating in the GED program whose grade point average for the last semester before entering into the program was below 2.0 grade point average may become eligible if they achieve a 2.0 average or better the midpoint of the second semester (the nine week point) in the same required to help support the cost of extra-curricular activities; however, the fees should be kept to a minimum in order to further equal opportunity for participation regardless of economic status. If fees are to be paid by a student who cannot afford those fees, school officials shall develop options that will allow the student to participate.

All questions pertaining to athletic eligibility should be directed to Mr. Williamson, Athletic Office at 304-527-1410 ext 5371.

## **Brooke High School Discipline Policy**

The *Brooke County Discipline Policy* is in effect while students are under the jurisdiction of Brooke County Schools including but not limited to: bus stops, buses, school campus, off campus school events, etc.

The *Brooke County Discipline Policy* is based upon The West Virginia Board of Education "Safe and Supportive Schools" (Policy 4373). Additional components that further reflect our County's policies and procedures are also included (e.g., Student Code of Conduct).

### **EXPECTED BEHAVIOR IN SAFE AND SUPPORTIVE SCHOOLS**

State Board of Education Policy 4373 – Expected Behavior in Safe and Supportive Schools, requires county boards of education to design and implement procedures to create and support continuous school climate/culture improvement processes within all schools that will ensure an orderly and safe environment that is conducive to learning. It is the intent of the Brooke County Board of Education to work cooperatively with the Central Office Staff and each school staff to create, encourage, and maintain a safe, drug-free, and fear-free school environment in the classroom, on the playground, and at school-sponsored activities.

In the ensuing pages, highlights of certain portions of the policy will be presented, but these highlights should not be misconstrued as the sum total of what school personnel need to know about SBP 4373.

### **Major/Severe Behavioral Infractions: (Immediate Referral)**

Severely disruptive behavior (as outlined in Policy 4373 Expected Student Behaviors) will not be tolerated at Brooke High School. If a student exhibits one or more of these major infraction (s), he/she will immediately be referred to the Principal's Office. School administrators will discipline students based on the offense, progression of referrals and Policy 4373.

### **Student Searches**

Students are hereby advised that their persons and property (including automobiles, lockers, cell phones, etc. and contents thereof) are subject to search by school officials in the event that there is reasonable suspicion to believe they have violated the law or a rule of the school system. This includes, but is not limited to, athletic teams, performing arts groups, clubs, classes, and other school organizations. This includes all school sponsored events and activities.

### **Tardy Violations**

Tardy is defined as arriving to class after the tardy bell for that class period. Tardy violations will accumulate for each semester. If a student accumulates three (3) tardies for one class period, the teacher will contact the parent/guardian and then enter the discipline referral to administrators in WVEIS. At this point, the student will

be assigned one (1) day of in-school suspension. In subsequent occurrences, we will follow progressive discipline with in-school and/or out-of-school suspension.

### **Skipping Violations**

Skipping is defined as being absent from the classroom eleven (11) or more minutes. If a student skips a class period, the teacher will contact the parent/guardian and then enter the discipline referral to administrators in WVEIS. Students will be assigned one (1) day of in-school suspension for this violation. Should the student continue to skip class, additional ISS or a 1,3,5 or 10-day OSS progression will occur.

### **Tobacco, Tobacco Products, Alternative Nicotine, and Vape Products**

Our approach is rooted in accountability and intervention. It is not solely disciplinary in nature. Therefore, our position is to maintain student engagement while providing educational opportunities to foster healthy choices.

If you are caught smoking, using smokeless tobacco, or vaping in school, on school property, or during school sponsored events, you will be assigned a progressive discipline consequence.

All contraband will be confiscated, subject to testing for the presence of THC, and turned over to the School Resource Officer. Any incident resulting in investigation will result in immediate placement in In School Suspension and parent/guardian will be contacted.

### **Brooke High School Smoking Cessation Program**

Brooke High School's philosophy is to treat vaping from a standpoint of dependence. Students within the disciplinary progression will complete the smoking cessation program. Moreover, the program will be accessible to all students. If students are active participants in our program, they may be allowed possession/use of approved nicotine replacement products for tobacco cessation. According to WVBE Policy 2422.8 - Medication Administration must be followed in order for students to use such products on school property or at school sponsored events.

### **Tetrahydrocannabinols (THC) Products**

Tetrahydrocannabinols; synthetic equivalents of the substances contained in the plant, or in the resinous extractives of Cannabis, sp. and/or synthetic substances, immediate derivatives and their isomers with similar chemical structure and pharmacological activity including, but not limited to the following: Delta-8, Delta-9, Delta-10, etc.

### **Illegal Substance Related Behaviors**

According to WVDE Policy 4373, Expected Behaviors in Safe and Supportive Schools, a student will not unlawfully possess, use, be under the influence of, distribute or sell any substance containing alcohol, over-the-counter drugs, prescription drugs, marijuana, narcotics, any other substance included in the Uniform Controlled Substances Act as described in WV Code

§60A-1-101, et seq. or any paraphernalia intended for the manufacture, sale and/or use of illegal substances in any building/area under the control of a county school system, including all activities or events sponsored by the county school district. This includes violations of WVBE Policy 2422.8 - Medication Administration and instances of prescription drug abuse.

Students will be required to change into acceptable clothing and if acceptable clothing is not available, they will be placed in ISS for the day. School administrators reserve the right to determine whether a student’s clothing is within the limits of the school policy.

### **CYBERBULLYING**

According to HB 2655, Defining and Establishing the Crime of Cyberbullying, it is unlawful for a person to knowingly and intentionally use a computer or computer network to engage in conduct with the intent to harass, intimidate or bully a minor including, but not limited to:

- Posting or encouraging others to post private, personal or sexual information pertaining to a minor on the internet; or
- Posting obscene material in a real or doctored image of a minor on the internet
- "Harass, intimidate, or bully" means any intentional gesture or any intentional electronic, written, verbal or physical act, communication, transmission or threat that:
- A reasonable person under the circumstances should know the act will have the effect of any one or more of the following:
  - Physically harming a student or staff member
  - Damaging property
  - Placing the minor in reasonable fear of harm to his or her person or damage to his or her property

Bullying is sufficiently severe, persistent or pervasive so that it creates an intimidating, threatening or an emotionally abusive environment for a student or staff member. Discipline referrals can be made to the Resource Officer to file a criminal complaint. Penalties include up to a \$500.00 fine, up to a year in prison, or both.

### **FIGHTING**

On the first fighting offense, the student who initiates a physical altercation will be suspended for at least three (3) days up to a maximum of ten (10) days. If it can be determined that the victim engages with the aggressor, that student may or may not be suspended depending on the circumstances. The specific length of suspension will be determined by the school administrator in compliance with Policy 4373. For students involved in

fighting, a referral will be made to the Juvenile Probation Officer for any student under the age of 18; if the student is 18 or older, a referral will be made to the Sheriff's Office.

For the second fighting offense, the student will be suspended for ten (10) days and a recommendation may be made to the Brooke County Board of Education that the student be expelled from any Brooke County School. If the student is not the aggressor but is involved in a second fight in one school year, the suspension may be up to ten (10) days.

If a student has a problem which potentially could lead to a fight, the student should discuss the issue with his/her Principal or Counselor and try to find a non-violent solution to the problem.

**Chronic Conduct Offender**

A chronic conduct offender is a student who has multiple disciplinary incidents which resulted in disruption of school and/or has accumulated more than 11 total days of Out of School suspensions within a school year. These students may be recommended for alternate placement or expulsion.

**Behaviors for Which Students may be Suspended Include but are not Limited to:**

At a principal's discretion, a student may receive an in school suspension or out of school suspension as a result of violating the aforementioned disciplinary behavior.

**Suspension for the behaviors listed above typically takes one of two forms:**

**In-School Suspension:** Instances in which a student is temporarily removed from his/her classroom(s) for disciplinary purposes but remains under the direct supervision of school personnel and continues to receive instructional support. Direct supervision means school personnel are physically in the same location as students under their supervision. Settings may include other locations within the school building or removal to another school, such as an alternative school, provided the student remains in direct supervision of school personnel. Procedures for ISS include no sleeping, games, videos, or music. Students are expected to hand in their cell phones to the ISS teacher upon arrival and it will be returned at dismissal. Work from class is to be completed during the time serving ISS. Failure to follow ISS procedures may result in additional disciplinary action.

**Out-of-School Suspension:** Instances in which a student is temporarily removed from his/her school for disciplinary purposes to another setting pursuant to W. Va. Code §18A-5-1a (e.g., home, community setting). This includes both removals in which no IEP services are provided because the removal is 10 days or less as well as removals in which the student continues to receive services according to his/her IEP. The student is not under direct supervision of school personnel as defined under in-school suspension. *Students may not participate in any school-sponsored activities, ride a school bus, or be permitted on school grounds during the period of out-of-school suspension.*

**Bus Suspension:** Transportation to and from school is a privilege that may be suspended at the discretion of administration after reviewing a bus referral from the student's bus driver or aide. If a student is suspended from a bus, parents will be responsible for transportation to and from school.

**Suspension from Extracurricular Activities:** Attending or participating in extracurricular activities is a privilege and carries with it the responsibility of good behavior in and out of school. Failure to meet this responsibility renders the student liable to the suspension of the privilege of representing the school. Decisions relative to the eligibility or ineligibility of students for extracurricular activities or organizational offices of students are delegated to administration in consultation with the coach or sponsor in charge of that activity. In order to create consistency among all schools in the application of out-of-school suspension and expulsion as they relate to interscholastic extracurricular activities, any student suspended or expelled from school is also suspended from extracurricular activities for the duration of the out-of-school suspension or expulsion.

**Behaviors Which Require a Student's Suspension with a Recommendation for Expulsion**

- After an informal determination hearing by the principal, a principal shall suspend a student from school with the recommendation for expulsion as a result of a Level 4 violation per Policy 4373.
- If a student has been suspended for these reasons, the principal shall, within twenty-four hours, request that the county superintendent recommend to the county board that the student be expelled.
- Additionally, students who habitually violate school policy may be recommended for expulsion.
- When administering interventions and consequences, it is required to determine if a student warrants protection under the IDEA, WVBE Policy 2419 and or Section 504.

Like a bridge, The Bruin Bridge connects students to the academic, social-emotional, and vocational support services needed to meet their individual needs while successfully staying above the obstacles below.

### **The Right to a Thorough and Efficient Education**

All students, regardless of race, religion, national origin, language, gender, disability, marital status, parenthood, or pregnancy have the right to an equal education opportunity. Students are required by law to attend school regularly until their seventeenth birthday; if they continue to be enrolled as a student after their 17<sup>th</sup> birthday; or until their graduation. A student who has not graduated may attend school until they are 21.

Public schooling is tuition-free for all students. School systems, however, may charge tuition for summer school and before/after-school programs, if offered, provided that any student whose parents, in the judgment of the board, are unable to pay such tuition, may attend at a reduced charge or without charge except for post-secondary, community education, or adult preparatory programs.

Whatever school supplies are deemed necessary to accomplish the goals of a school system and are an integral and fundamental part of elementary and secondary education must be provided free of charge to all students, such as textbooks, paper, writing implements and computers if their use is part of the curriculum. Students may be required to purchase their own equipment, such as instruments and costumes, for performance-based classes, such as band, orchestra, choir, dance and theatre. However, students shall not be denied participation in a class because their parents/guardians cannot afford to do so. Schools have contingency plans to accommodate students and families who do not have the financial means to make these purchases.

### **Student Inquiry and Expression**

#### **Freedom of Religion:**

Schools may not conduct, sponsor or endorse religious activities during school time. Individual students have the right to practice their own religion in a manner that does not interfere with the orderly conduct of classes and may form student groups with a religious focus that meet after school. Students have the right to be absent from school, on a reasonable basis, for religious instruction and/or for participation in religious activities. An opportunity must be provided for students to make up any work missed; however, it is the student's responsibility to make up such work pursuant to the rules established by the school or county.

#### **Freedom of Speech**

Students are entitled to exercise appropriate speech while at school. Freedom of speech includes forms of expression other than vocal, provided this activity does not materially and substantially disrupt the work and discipline of the school or impinge upon the rights of other students. Schools may limit vulgar or offensive speech inconsistent with the school's responsibility for teaching students the boundaries of socially appropriate behavior. Students off campus conduct that might reasonably be expected to cause disruption in the school may be prohibited or disciplined. This includes blogs and social media postings created for the purpose of inviting others to indulge in disruptive and hateful conduct towards a student or staff member.

Students have the right not to be compelled to participate in certain types of speech, such as reciting the Pledge of Allegiance. Students who choose not to participate in these ceremonies have the responsibility to respect the rights of those who do participate and must remain respectfully silent.

School sponsored student publications that are a part of the curriculum are subject to teacher editorial, control and therefore student speech may be regulated in a manner reasonably related to educational purposes.

#### **Freedom to Petition and Assemble**

The constitutions of West Virginia and the United States of America guarantee freedom to assemble peaceably and freedom of consultation. These rights include student assembly, although school officials may designate the time and the place of assemblies; and free conversation except when this would interfere with class or the normal operation of the school.

Along with the right to assemble peaceably, students have the right to circulate petitions to be presented to school officials. However, it is the students' responsibility in circulating petitions to respect the orderly process of the school and to respect the rights of others. Students also have the right to recite the Pledge of Allegiance and to salute the flag if they so desire; if they are opposed for any reason to the pledge or salute, they have the right to

abstain from these ceremonies in school. Students who choose not to participate in these ceremonies must respect the rights of those who do and remain respectfully silent.

### **Child Abuse Prevention**

Students have the right to grow up without being physically or sexually abused at school, in the home or the community. School personnel are mandated reporters under WV Code (WVC §49-6A-2). This requires all school personnel who suspect that a child is being abused to report the circumstances to the West Virginia Department of Health and Human Resources. Victims of abuse may seek the advice or assistance of a teacher, counselor, nurse, or other school personnel. School personnel will assist students in seeking needed help. (SBP 4373; 4<sup>th</sup> Amendment of U.S. Constitution and New Jersey v. T.L.O.)

### **Student Grievance Procedure**

Any student may issue a complaint or file a grievance in writing or in person with a teacher, counselor, department head, class sponsor, club sponsor, student council, or principal. The chain of command to follow is teacher, counselor, department head, club sponsor, and the student council to the center principal, if applicable, and further to the head principal.

### **Collaboration with Law Enforcement**

Police authorities and the schools have certain interests in common which may best be served by cooperation. It shall be school policy that the police authorities, when investigating criminal acts, and after parental contact and consent, shall be permitted to question pupils in school in the presence of the principal or a professional employee designated by him/her.

Police are responsible for enforcing laws to protect all citizens. Police can enter schools if they suspect a crime has been committed, if they have a warrant for an arrest or search, or if their assistance has been requested by school officials. It is the duty of the police, school officials, teachers and students to cooperate with each other in order to ensure that the rights of all people involved are respected.

### **Police Conducting an Investigation in the School:**

During a criminal investigation, if a student is to be questioned by the police, or by school officials in the presence of the police, the school administration should cooperate with the police and help to ensure that the privacy of the student is protected. The police officer is responsible to ensure that the student's constitutional rights are not violated. The police officer is responsible for determining if the student's parents or guardian, or lawyer should be contacted prior to questioning. West Virginia Code §49-5-2 specifies that statements made by a student under the age of fourteen, while being questioned by law enforcement officials, cannot be used in a court proceeding unless his or her lawyer is present; such statements made by students who are fourteen or fifteen years old cannot be used in a court proceeding unless their lawyer is present or a parent is present and the parent has been informed of the student's rights. The police officer shall determine when the use of restraints is necessary during such questioning to control an unruly student to prevent the student from harming him/herself or others.

### **District-Wide**

The Board designates its Title IX Coordinator as the Human Rights Officer to receive reports or complaints of sexual harassment from any individual, employee or victim of sexual harassment. If a complaint involves the Human Rights Officer, the complaint or report shall be filed directly with the Superintendent, who shall then be responsible for the investigation and recommendation described in these procedures.

### **Reporting Racial, Sexual and Religious, Ethnic Harassment and Violence**

Any person who believes s/he has been victim of harassment or violence by a student or an employee of Brooke County Schools, or any third person with knowledge or belief of conduct which may constitute harassment, should report the alleged acts immediately to an appropriate official as designated by these procedures. Brooke County Schools encourages the reporting party or complainant to use the report form available from the Human Rights Officer, Mr. Corey Murphy at 304-737-3481 ext. 1004. In each school building the complaint can be made to the building principal and will then be referred to Mr. Murphy, the Title IX Coordinator.

**Submission of a Complaint or Report**

Submitting a complaint or report concerning sexual harassment will not affect the future employment, grades, or work assignments of the person who submits the complaint or report. The use of formal reporting forms is not mandatory. Brooke County Schools will respect the confidentiality of the complainant and the individuals against whom the complaint is filed as much as possible, consistent with the agency's legal obligations and the necessity to investigate allegations of harassment and violence and take disciplinary action when the conduct has occurred. Under certain circumstances, sexual harassment may constitute child and/or sexual abuse under Chapter 49 of the West Virginia Code. In such situations, the county board of education shall comply with the provisions of law for reporting such abuse.

**Prevention of Reprisals**

Appropriate action will be taken against any student who retaliates against any person who reports alleged violations or any person who testifies, assists or participates in an investigation, or who testifies, assists or participates in a proceeding or hearing relating to such violations. Retaliation includes any form of intimidation, reprisal or harassment. Similarly, appropriate disciplinary action will be taken against any student, administrator or other school personnel who falsely reports violations of these procedures.

If an investigation reveals that an employee, student, parent/guardian or member of the public making the complaint has falsely (and in bad faith or out of malice) accused an employee or student of harassment as defined in this policy, or has falsely reported Inappropriate Behaviors, the complaining individual shall be subject to discipline and/or legal action. Disciplinary actions for students who commit reprisals or falsely reported inappropriate behaviors will follow the guidelines set forth in File: JHD Inappropriate Behavior and Meaningful Interventions and Consequences.

Disciplinary action for employees may include oral or written reprimand, suspension, or employment termination.

*Parents/guardians and/or other members of the public who falsely (and in bad faith or out of malice) accuse an employee or student of harassment or Inappropriate Behaviors as defined in this policy, are advised that they may be subject to civil action in the court system and may be referred to the appropriate law enforcement agency for possible criminal action.*

**Chronic Health Condition Statement**

•This form must be updated and completed in its entirety each semester and will only excuse days after the receipt of the form.

*A student's regular attendance at school is crucial to optimal learning. Learning opportunities that occur in the classroom are meaningful and essential components of the learning process. Time lost due to chronic absences from school is irretrievable in terms of opportunity for instructional interaction. Research tells us that missing as little as two days per month makes the child less likely to graduate.*

*Brooke County Schools is requesting that you verify that this student has a chronic health condition that may impact regular attendance at school. Please note that this document becomes part of the student's educational file and the educational file may be presented, if requested, should the student become truant and need to go before the court system.*

*This document is not an excuse from completing required class assignments due to absences.*
