

Marysville Band Boosters
Uniform Coordinator Report
8/15/2024

2024-2025 Uniform Fittings

- We tried a new fitting schedule this year to complete fittings prior to band camp week.
 - Goals
 - Avoid disruption to instructional time
 - Accelerate the ordering process
 - Provide enough time between fittings and pictures to send bibs to be pressed
 - Used squad and section leaders as helpers
 - Results
 - > 95% of fittings were completed prior to band camp and outside of instructional hours
 - We had excellent participation with section leaders and very little with squad leaders
 - Improvements for next year
 - 1 hour break between end of band and start of fittings
 - Uniform fitting training for section leaders and only use section leaders
 - Offer an evening or weekend option for those that can't make regular fitting schedule
 - Freshman fittings will be two sessions
 - 1 day for measurements, sizing of shorts, shoes, game day jackets and getting gear.
 - 1 day for competition uniform fitting
- Inventory/Student Items Update
 - Student/Rental Items Ordered
 - Red T-shirts - received and distributed
 - Black shorts - received and distributed
 - Marching shoes - received, pending distribution
 - Game day jackets - ordered
 - Inventory Ordered
 - Gloves (replenish inventory) - received
 - Berets - Received
 - Still need to order
 - White gym shorts (male SM/MD)
 - Replacement FC blue plumes (4)
