2024-2025 P-TECH at Jones Futures Academy PTECH Recruitment Plan

Plan	Description
Goal	Attract and enroll students interested in HVAC from middle schools within the Houston Independent School District (HISD) to participate in the PTECH Program at Jones Futures Academy.
Target Audience	Middle school students within HISD with an interest in pursuing a career in HVAC.
Recruitment Strategies	
Informational Sessions:	- Conduct presentations at HISD middle schools to inform students about the benefits and opportunities offered by the PTECH Program. - Highlight the unique aspects of the HVAC focus, showcasing potential career paths.
Collaboration with Middle School Counselors:	- Build relationships with middle school counselors to ensure they are aware of the PTECH Program and can guide interested students. - Provide counselors with informational materials to distribute to students and parents.
Online Presence:	- Develop a user-friendly and informative website dedicated to the PTECH Program at Jones Futures Academy. - Utilize social media platforms to share success stories, program updates, and engage with potential students.
Promotional Materials:	Design visually appealing brochures, posters, and digital content to distribute across middle schools, community centers, and other relevant locations.
