

Hey Thunder Ridge Raptors! My name is Melissa Aiono, and I'm excited to be your school psychologist. My goal each year is to be an advocate for our students and support their families and teachers develop creative and nurturing strategies to help them succeed. I love helping families and educators learn about their student's strengths and how to use those strengths to empower their students. A little about me—I'm from San Leandro, California, and have lived in Utah for the past 4 years. My husband and I are proud parents of three incredible children, ages 8, 5, and 6 months. As a family, we love traveling, sports, playing games, and all things Disney! I'm so excited to be part of the Thunder Ridge community. Please don't hesitate to reach out - I'm here to help! Thank you for all you do to support our students and school.
