

Privacy Policy for Cracked!

Last Updated: July 18, 2026

Welcome to Cracked! ("the Game", "we", "our", or "us"). This Privacy Policy explains how information may be collected, used, and protected when you use the Cracked! mobile application available on the Apple App Store.

By downloading or using Cracked!, you agree to the practices described in this Privacy Policy.

Information We Collect

Cracked! is designed to provide a simple and enjoyable gameplay experience. We do not intentionally collect personal information unless it is necessary to provide game features.

Depending on how you use the Game, the following information may be collected:

Game Center Information

If you sign in to Apple Game Center, we may access and use:

- Your Game Center display name (nickname)
- Your Game Center player identifier, as provided by Apple
- Your game scores and achievements

This information is used solely to submit, display, and manage leaderboard rankings and achievements through Apple Game Center and related Apple services. Your Game Center profile information is governed by Apple's privacy practices.

Automatically Collected Information

Certain limited information may also be collected automatically through Apple services or third-party tools used to operate and improve the Game. This may include:

- Device type
- iOS version
- Crash reports
- Gameplay analytics
- General usage statistics
- Anonymous performance data

This information is generally used in an aggregated or anonymized form and is not intended to personally identify you.

How We Use Information

Information collected may be used to:

- Submit and display leaderboard scores through Apple Game Center.
- Associate scores with your Game Center display name.
- Track achievements and game progress.
- Improve gameplay performance.
- Fix bugs and crashes.
- Understand how players use the Game.
- Enhance the user experience.
- Maintain app stability, reliability, and security.

We do not sell your personal information to third parties.

Leaderboards

If you participate in leaderboards, your Game Center display name and game scores may be visible to other players through Apple Game Center leaderboard features. Participation in Game Center is subject to Apple's terms and privacy policies.

Third-Party Services

Cracked! may use third-party services that collect information in accordance with their own privacy policies. These services may include:

- Apple App Store
- Apple Game Center
- Firebase by Google
- Google Analytics for Firebase

These services may collect diagnostic, analytics, and gameplay information necessary to provide and improve the Game.

Data Security

We take reasonable administrative, technical, and physical measures to protect information associated with the Game. However, no method of electronic storage or transmission over the Internet is completely secure, and we cannot guarantee absolute security.

Children's Privacy

Cracked! is not intended to knowingly collect personal information from children beyond what is necessary to provide Apple Game Center functionality and game services. If you believe personal information has been collected inappropriately, please contact us.

In-App Purchases and Advertisements

At this time, Cracked! does not include:

- In-app purchases
- Third-party advertisements

If these features are added in the future, this Privacy Policy may be updated accordingly.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the app listing or updated policy documentation. Continued use of Cracked! after changes become effective constitutes acceptance of the revised Privacy Policy.
