

## **NoneTooFrond's Wang Wearables**

Hello! Here are some item ideas for a PC to show off or gussy up their male genitalia.

### **Ball Cinch**

Accessory or Cockwear

Requires external testicles to be worn

+2 Sexiness

+10% Lust gain

-10 Tease Resistance

Gives PC Uniball flag when worn

500 Credits (Sold by Inessa on Tavros)

*A small, colorful ultralastic ring. This device is designed to be slipped around the base of one's testicles, where it provides gentle but firm pressure to increase pleasure and orgasm intensity without cutting off circulation. Especially popular with those who enjoy having easy-to-handle, tightly-packed balls.*

### **Ball Brassiere and Stockings**

Lower Undergarments

Requires external testicles to be worn

+3 Sexiness

Groin Exposed, Ass Exposed

1100 Credits (Can be purchased from Xanthe on Myrellion)

*Instead of normal underwear, this set of chameleon silk thigh-high stockings and garter belt come with pair of extremely low-cut, lacy panties designed to support and accentuate one's testicles rather than cover anything. Also comes with an lacy ring of fabric, bedecked with a little ribbon, to be worn around one's penis.*

### **Cock Sock**

Cockwear (or Lower Undergarments)

Requires external penis to be worn

+2 Sexiness

+10 Freezing resistance

-5 Burning resistance

Ass Exposed (if set as Lower Undergarments)

750 Credits (Sold by Xanthe on Myrellion)

*The demure design of this warm and comfortable-looking sock is at odds with its intended use: to show off a cock while orbiting the very edge of decency. Ultralastic fibers allow this sock to fit any girth, along with a layer of thermal fibers to keep one's pole warm enough in chilly weather to prevent the freezing of daring tongues.*

### **Cowboy Outfit**

Armor

+4 Sexiness

+6 Evasion

Groin Exposed, Ass Exposed

1500 Credits (Sold by Busky on New Texas)

*A costume sold on New Texas for those looking to bring a little bit of the range back home. Consists of leather boots, button-up shirt, New Texan hat, and assless chaps. Easy to move in and treated to resist any stain, the lack of pants makes for an easy ride for you or your partner.*

### **Cute Ribbon**

Cockwear (or Lower Undergarments)

Requires external penis to be worn

+2 Sexiness

Groin Exposed, Ass Exposed (if set as Lower Undergarments)

250 Credits (Sold by Xanthe on Myrellion and Inessa on Tavros)

*A cute, shiny ribbon designed to give any penis an air of femininity. The material is elastic and incorporates a layer of nanofibers that is programmed to tie itself into a perfect bow when donned.*

### **Festive Ribbon Top**

Upper Undergarments

+3 Sexiness

500 Credits (A holiday item, I'm unsure of who would sell this normally, perhaps can also be ordered for Bess/Ben from their catalogue)

*A festive ribbon designed to wrap around the chest. Perfect for when all your lover wants for the holidays is you.*

### **Festive Ribbon Bottom**

Lower Undergarments

+3 Sexiness

500 Credits (A holiday item, I'm unsure of who would sell this normally, perhaps can also be ordered for Bess/Ben from their catalogue)

*A festive ribbon designed to wrap around the hips and groin region. Perfect for when all your lover wants for the holidays is you.*

### **Savicite Stud**

Piercing

Increases Minimum Lust by 6

10000 Credits (Sold by Heidrun of the Korg'ii Hold, rare drop from Korgonne random encounters)

*This small, metal barbell stud is tipped on both ends with smooth marbles of Savicite. Research into the use of Savicite as a libido-enhancer among the native races of Uveto has seen these sorts of decorations become popular among the wealthy as gifts to boytoys, mistresses, and harems. Slave traders also employ them to keep high profile hostages in line and brainwash rare slave species when chems and body mods would devalue their biological purity.*

### **Cockwear Description Lines**

Written as an additional sentence of description for each penis that is wearing a cockwear item.

"This [pc.cockNounSimple] is outfitted with a [pc.cockWear]."

"Your [pc.cockNounSimple] is bedecked with a [pc.cockWear]."

"You've decorated this [pc.cockNounSimple] with a [pc.cockWear]."

"A [pc.cockWear] is adorning this [pc.cockNounSimple]."

"You are wearing a [pc.cockWear] on this [pc.cockNounSimple]."

These could also be adapted for a chastity belt or cock restraint item, though there would likely need to be wide-ranging additions made for any scene involving descriptions of what is being done with Steele's unused penises and how they are trapped and useless. I'm not prepared for something of that magnitude.
