

NYU Stern Class Book

User Agreement

The NYU Stern Class Books (powered by BrightCrowd) are platforms where NYU Stern community members can choose to engage with each other and share updates. As a participant of this platform, you must review and agree to this user agreement.

* * *

Conduct Expected of All Users

As a participant of an NYU Stern Class Book (powered by BrightCrowd), I understand that I will be engaging with NYU community members. I recognize that BrightCrowd and New York University expect all users of this platform to conduct themselves with the highest level of integrity and professionalism. Accordingly, I agree that at all times I will:

- provide accurate information in all materials I provide and in all my interactions and communications with users and administrators on the platform or outside of the platform;
- communicate and present myself professionally
- be courteous and respectful in my interactions (in person, in writing, by phone, video chat, and/or email)
- comply with any request by administrators of the platform to remove any material they deem inappropriate or unprofessional
- comply with all applicable NYU policies

Consequences for Violation of this User Agreement

I understand that if I violate any of the terms of this User Agreement, my access to and use of an NYU Stern Class Book may be restricted or removed, and NYU may take any other appropriate action.

Access to User Data

I understand that NYU staff who serve as administrators for this platform will be able to view my data and all the information that I add to my page.

I understand that by joining this site, I am opting-in to share data and images, for use on the platform with members of an NYU Stern Class Book and/or administrators.

Users may delete their page or amend their data by going to 'My Page' to either save new edits or click the three dots and select 'Delete Page'. Users can amend most of their data via their page.

GDPR

For additional information that may be required by the European Union's General Data Protection Regulation, please see:

<https://www.nyu.edu/life/information-technology/safe-computing/protect-data/general-data-protection-regulation.html>

FERPA

I understand that by joining this site, I am opting-in to share certain page data to other community members which may be considered to be part of my educational record under the Family Educational Rights and Privacy Act (FERPA). I have reviewed my page and associated data and understand this data will be shared.

Disclaimer and Release

I understand that the NYU Stern Class Book, provided by BrightCrowd, is a platform providing the opportunity for users to interact with each other and share updates. I agree to use caution and common sense when using the platform. I understand that NYU makes no representations about the accuracy, reliability, completeness, or timeliness of the platform or the material appearing on the platform. I also recognize that NYU cannot and does not confirm that each user is who they claim to be. I understand that the use of the platform is voluntary and at my own risk.

As consideration for using an NYU Stern Class Book, I agree to release NYU (and our agents and employees) from any claims, demands, and damages (actual and consequential, direct and indirect of every kind and nature, known and unknown), arising out of or in any way connected with the use of an NYU Stern Class Book.

By accessing the platform, I agree to comply with the terms of this User Agreement.
