Alaska's Economic Future:

Key Action Items

Shopping locally is a great way to boost our economy: for every dollar spent at Alaskan-owned businesses, three times more value is retained in Alaska, which means if every Alaska household spent $1,000 locally that would put $103M more into the Alaska economy and would generate 5,850 jobs!

Check out Buy Alaska's brand new Local Investors Corner for more ways to build local wealth.
