I understand that these are my choices. Any request to change this schedule requires approval from an administrator. No changes will be made regarding teacher preference. Courses offered are dependent on enrollment and staffing. In the event that a class you choose is not offered, the school will attempt to place you in one of your alternates. Counselors may make changes to these requests based on a transcript analysis that identifies graduation requirements which take precedence over student preference.

If you are signing up for an AP Course, note these courses are year long commitments. If you get placed into an AP Course you CANNOT drop the course.
