ALASKA MISSION FOR CHRIST

Ministry Partner Bulletin Announcement – October 2026

Alaska Mission for Christ

Please join us in praying for God's peace, protection, and presence in our Alaskan communities of service. Many of these communities are experiencing changes, including declining populations and increased safety challenges.

Pray also for wisdom as AMC and our partner congregations plan future ministry. May the Lord continue to open doors for the sharing of the Gospel and guide every step of His mission.

"The LORD is my strength and my shield; my heart trusts in him, and he helps me." Psalm 28:7
