

Math Practice Standards

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics.
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make use of structure.
8. Look for and express regularity in repeated reasoning.

Grade 1

- I can represent and solve problems involving addition and subtraction within 20.
- I can understand and apply properties of operations and the relationship between addition and subtraction.
- I can add and subtract within 20.
- I can work with addition and subtraction equations.
- I can count, read, write and represent numbers within 120.
- I can understand place value.
- I can use place value and properties of operations to add and subtract within 100.
- I can tell and write time to the half hour.

Grade 2

- I can represent and solve problems involving addition and subtraction within 1000.
- I can fluently add and subtract within 20.
- I can work with equal groups of objects to gain a foundation for multiplication.
- I can understand place values within 1000.
- I can tell and write time to the nearest 5 minutes.
- I can solve word problems involving dollar bills, quarters, dimes, nickels and pennies.
