The Island Project School
Diddington Hall
Diddington Lane
Meriden, West Midlands CV7 7HQ

Dear Proprietor

The Island Project School-MATERIAL CHANGES

Thank you for your email informing the department that the school wishes to admit pupils for a specific period on a basis which exceeds the school's registered age range. The change you have requested is a 'material change' which requires the approval of the Secretary of State. However, there is no provision for a temporary material change. As a result, we have treated your request as an application for the following material changes:

i. to admit 2 pupils aged 20 with effect from October 2022

ii. to return the age range of the school to 19 with effect from 31 July 2023

Following consideration of whether the independent school standards will continue to be met by the school, these two material changes have been approved.

The Department will write to the school shortly before (*second date above*) as a reminder that the school must revert to its previous age range/ capacity (*delete as appropriate*).

The material changes will both be reflected in the school's registered details on GIAS (Get Information About Schools) at the appropriate times.

Yours sincerely

Susan Redfearn

Mrs S Redfearn
