

Avoca 37 PTC 2026-2027 GRANT APPLICATION

A key goal of the Avoca 37 PTC is to provide financial support for your teaching goals that exceed regularly allocated school resources.

An Avoca 37 PTC Grant of up to \$1000 may be used for the purpose of funding a project, activity, and/or materials and supplies for classroom, innovation efforts and extracurricular activities. Grants are competitively awarded with preference given to applications with goals that push the boundaries of standard school instruction or activity. ***We are particularly interested in grants that focus on engaging students, community building, innovation, math and science, and supporting fine arts and literacy.***

Multiple applications are accepted. All applications will remain in the pool for consideration for the entire school year or until all funds are awarded. We look forward to receiving your application!

Email your grant submission to: grants@avocaptc.org

QUESTIONS? Email grants@avocaptc.org

DEADLINES: Applications are due by 12/02/2026. *We also accept rolling applications (after the deadline)!
Spring Deadline if funds are not exhausted is 5/4/27*

All Avoca staff are eligible to apply for an Avoca 37 PTC Grant. Completing this form is the only requirement. You are also welcomed to attach any additional information that would help us better evaluate your request. For example, if you have knowledge of a project successfully completed elsewhere and would like to duplicate it at Avoca, you might include a copy of the article or web page describing the original project and its results.
