MEMBERSHIP APPLICATION

Being a member of any church is both a privilege and a responsibility. We are glad that you are considering identifying here at Pleasant View in our local assembly of believers. The following expectations are listed:

1. Each member is expected to have received Jesus Christ as Savior and is to be a growing Christian.
2. Each member is expected to assent to the teachings of the doctrinal statement of Pleasant View Bible Church, insofar as they understand them.
3. Each member is expected to regularly attend the services of this church and support the ministry of this church by regular and systematic giving to the church's financial needs.
4. Each member is expected to volunteer to serve within his/her abilities so as to be useful to Christ and His body.

Please fill out the applicable portions of the attached "Membership Data" form as completely and accurately as possible (estimate dates if you do not know the precise dates). Having this form filled out will simplify the meeting with the Membership Committee. In the case of a couple, each should fill out an individual form. If you have any questions, see one of the pastors.

When you have returned this form to the office, an interview with the Membership Committee will be held at a time announced in the church bulletin.

Sincerely in Christ,

Michael Hontz,
Senior Pastor
