Marching Tigers, Parents, and Boosters:

Competition season is here!!! We travel to Pinecrest HS this Saturday for our first competition of the season. The practice schedule is a little different this week due to the early release day on Tuesday and we are trying to squeeze in a quick practice after school on Friday since it is our bye week for football. We will be fitting hats/gauntlets this week in class and uniforms return from the cleaners on Wednesday. WE HAVE PRACTICE TOMORROW (MONDAY) from 6-9!

If you have artistic abilities, we need help painting our props. Please reach out to Nikayme Bullock if you are interested in helping us paint our props! THANK YOU NIKAYME FOR LEADING THIS GROUP!!! We will try to schedule a time after school to paint.

Don't forget to click the link from Tap Off Images and order your band photos! I got to see all of them and you all look fantastic in your marching band uniforms.

Fair Share

Everyone that is a part of the Marching Band owes a fee called fair share. This money pays for our music, drill, flags, sticks, drum heads, uniform cleaning, buses, drivers, food, etc. We have the most affordable fair share in all of Cumberland County. However, it only works if everyone does their part. The total amount is \$150 due by January 1st, 2027. After January 1st the price will go up to \$200. The first \$50 of your fair share is due by September 16th to cover the cost of travelling during competition season.

I can accept cash or check for this fee. It is a school fee and cannot be paid to the booster cash app. If you are unable to pay this in cash or check we have opportunities to earn/work off your fair share without having to pay out of pocket.

Fundraising and Band Boosters - REMINDER DEADLINE IS SEPTEMBER 16th! THIS WEDNESDAY!!!!!!!!!!!!!!!!!!!!!!

This (pictured left) is our fundraiser this year and it is how we can cover all of the costs associated with marching band without having to pay out of pocket. Everyone will receive one of these cards and an envelope this week. The goal is simple: find people to sponsor squares on your board by giving you the dollar amount whether it is \$5, \$10 or \$20. Once you complete a board, turn the money in and I will issue you a new board. This is very similar to how the calendar board fundraiser works. The deadline for these boards is going to be September 16th. This is THE fundraiser for the whole school year and is the only fundraiser

that is dollar for dollar. If you raise \$150 dollars, \$150 dollars covers your fair share. Any additional funds go to covering your shoes, shirts, gloves, and any trips or travel that we do this year. In order to provide an additional incentive to complete as many of these cards as possible, the booster club is offering the following prizes for the top 3 sellers (must have at least 1 completed card):

First Place: \$1000 in cash

Second Place: Nintendo Switch 2

Third Place: Beats Solo 4 (color of your choosing)

Everyone who turns in a completed card will also receive dinner at Golden Corral.
