

JOB LIST OSC 2025 WORKING PARTIES

1st Sat in every Month:- 10:00-12:00 and 13:00- 16:00

Sailing club working parties are events where members come together to perform tasks that help maintain and run the club. These tasks can include grass cutting, driveway repairs, and other maintenance.

Working parties can also be a chance to meet other members, learn new skills, and build relationships.

Come for a couple of hours, if that's all you can spare. The list of pending jobs continues to grow and new volunteers are more than welcome, you don't need experience.

If you want to take part then just come along.

- ☐ Boat / Trailer Moving Part
- ☐ Sort out gap between island powerboat floating jetty and island. (may require construction of small step off jetty).
- ☐ Create specific and signed area at top of Slipway for wash down.
