Today is
Chocola's birthday! Ta-da!

Chocola's nine years old~

I love you, Choco-tan!
You're still playful,
still energetic,
and selfish as always!

I posted this picture once before
But Chocola looks like a fox
and it's so cute
so I posted it again

The Skytree is open to the public now
So today, we're going to celebrate
Choco-tan's birthday!

We'll always be together!
