

# SOC 204 Week 3: Wrap-up

This is the end of Week 3. Let's double-check that you have completed all of the tasks:

- Completed Week 3 readings,
- submitted the discussion prompt, one of the three possible choices, possibly using a different sociological perspective than you did last week in order to cover them equally,
- participated in the class discussion by responding to at least two other's prompts,
- submitted your Week 3 project log.
