

## **Morning Comes**

Listen up and settle down  
Stop wondering what is right and what is wrong  
That good feeling, that beating heart  
You had at the start

I never wanna see the morning come  
I never wanna come down or round to your  
Way of thinking  
Not now anyway  
Not now anyway  
I don't wanna see the morning come  
I don't wanna ever come down or 'round to your  
Way of thinking

Staring out in to an old street  
Praying that this night won't ever end  
Accompanied by a stranger  
Lost in the excitement of it all

I never wanna see the morning come  
I never wanna come down or round to your  
Way of thinking  
Not now anyway  
Not now anyway  
I don't wanna see the morning come  
I don't wanna ever come down or 'round to your  
Way of thinking  
Not now anyway

Are you coming?

I never wanna see the morning come  
I never wanna come down or round to your  
Way of thinking  
Not now anyway  
I don't wanna see the morning come

I don't wanna see the morning come  
I don't wanna see the morning come  
I don't wanna see the morning come
