

The Tilcon Scholarship Award

Purpose: The Tilcon Scholarship recognizes a local high school senior who will be continuing on to further education (**college or vocational school**). The student should demonstrate outstanding potential in academics, outside pursuits, community service and leadership.

Criteria: The applicant will be a High School senior attending **Morris Hills High School OR The Academy for Mathematics, Science, and Engineering.**

The student eligible for assistance will display a well-rounded level of achievement, in both academics and various outside activities.

The applicant will demonstrate a record of community and extracurricular involvement that embody the following:

- Leadership
- Employment
- Community Service, Environmental Efforts or Volunteering
- (Bonus if any student is interested in the mining and constructions industry- either skilled labor, management or in the office)

*****Students will submit their official transcript and a 300 word essay outlining their eligibility for the Tilcon scholarship based on the criteria set forth.**

Letter(s) of reference will also be taken into consideration.***

Amount: The \$500 scholarship will be awarded each year and disbursed at the end of the current school year/ for school awards ceremony.

Deadline: The application deadline is **March 10, 2026**. Submissions will no longer be accepted after this date.

Notification: The designated school contact will be notified after the final approval award is made and will be provided an estimated timeline for the completion of the check award.
