Product Description

Drink healthier, great-tasting tap water with the BPA-free, large 27-cup Brita UltraMax Water Dispenser. This water filtration system cuts the taste and odor of chlorine, plus it reduces mercury, copper and other impurities to deliver great-tasting drinking water. By switching to this Brita water purifier, you can replace 1,800 single-use plastic water bottles a year to stay hydrated, save money and reduce plastic waste. This space-efficient Brita water dispenser is fridge-friendly and features an easy-locking lid and precision-pour spigot. The handy sticker filter indicator lets you know when it's time for a filter change. This Brita water dispenser comes with one Standard Brita water filter, but it's compatible with both Elite and Standard water filters. For the freshest-tasting water, replace your Elite filter after 120 gallons or approximately every six months, or replace your Standard filter after 40 gallons or approximately every two months. Get great taste, less waste and more savings from Brita.

Product Description

Clean and purify skin with soft, towelettes made with a minimum of 60% repurposed cotton, left over from making T-shirts. Pre-moistened with nutrient-rich botanicals including purifying white tea, these face wipes gently and effectively wipe away makeup, dirt and oleaven mascara. These gentle makeup remover wipes feel like silk on your skin. The towelettes work with all skin types. Tuck a pack of these purifying towelettes into your purse, travel bag, or gym bag. Face wipes are easy to use as a face cleanser on the go no water or rinsing required. Formulated without parabens, phthalates, SLS, or petrolatum, Burt's Bees Purifying Facial Towelettes with White Tea leave your skin soft, clean and smelling of just a hint of White Tea scent to awaken and refresh your senses. They're gentle on your skin so you can feel good about using Burt's Bees towelettes to clean your face.

About this item

- Versatile creative tool! With a broad chisel tip at one end and fine bullet point at the other, these creative markers are great for highlighting, hand lettering and creative expression
- Bring your bullet journal or Bible study to life! Zebra Pen Mildliner Highlighters have a unique, mild color that makes any creative work a little more snazzy in the office, art department or studio
- Layer ink for extra creativity! Translucent, water-resistant ink in soft colors layers beautifully and won't bleed through the page; Double ended marker-highlighters are perfect for coloring books
- Cue the hues with assorted colors! With a color-coded clip on the bold end, you can find the shade you need with just one look; Reusable storage case included so you can add color anywhere
- Let your inner artist shine! Zebra Pen has a wide variety of tools to help you express yourself, whether you're a budding artist or a creative professional
- Water resistant ink is translucent and excellent for layering

Product Description

Zebra Pen Mildliner Double Ended Highlighter pens help you express your unique creativity with the convenience of two sized tips in each pen. Each pen's unique mild color provides soft hue on the page, allowing you to layer with the water resistant ink with ease. Beautiful pastel colors don't bleed through so you needn't worry about the next page in your sketchbook. This 15-count set of dual tip aesthetic markers includes assorted tones: mild brown, mild vermillion, mild gold, mild magenta, mild smoke blue, mild red, mild violet, mild gray, mild dark blue, mild green, mild blue, mild blue green, mild yellow, mild orange, and mild pink. AP certified non-toxic. Keep a set of Mildliner Double Ended Highlighters in your desk drawer, art bin or backpack for creativity at your fingertips. Create personalized greeting cards, sketch out a new idea or add dashes of precision color to any project. Add some beauty to your bullet journal, Bible study or planner. Bring a touch of color to handmade cards, letters and art presentations. Gift your favorite budding artist with a complete set. Excellent for marking up important passages in texts. Complete your creative kit with additional Zebra Pen artists' instruments like Sarasa Fineliners, Sensations Technical and Calligraphy pens.

Product Description

The 12-1/8-inch Flex-A-Lite Lo-Profile Dual S-Blade Electric Fan is an ultra-thin pusher-puller / reversible automotive fan designed to fit in tight engine compartments where other car fans will not. Built in the USA with globally sourced materials, this cooling fan has an airflow of 2500 CFM (cubic feet per minute). It features a durable injection-molded shroud and two S-blade fans that ensure all air moves through the radiator core while producing less noise than other engine-cooling car accessories and truck accessories. With overall dimensions of 15-1/2 x 26-1/4 x 2-5/8 inches, the Flex-A-Lite Lo-Profile Puller Dual S-Blade Electric Fan draws 22 amps from a 12-volt power supply. Mount this radiator fan system as a puller behind the radiator as a stock belt-driven fan replacement to increase engine power and efficiency. Or mount it as a pusher in front of the radiator for use as an auxiliary fan.
