

Websites for Free Images for Student Use

1- [ImageQuest](#)

From Britannica School- provides rights-cleared images for school.

Username: mcps

Password: search

2- [Google Images](#)

Under “tools” set the “Usage rights” to **Creative Commons License**

3- [Pics4Learning](#)

'Pics4Learning is an open project where anyone (particularly photographers) can join in and add their photos. The library counts thousands of free images that are all approved for classroom use. These images are also indexed and stored into different categories making it easy for teachers and students to browse and search through them. Have a look and share with us if you know of other similar copyright-friendly image resources.'

4- [Pexels](#)

'Pexels offers over 10,000 free stock photos licensed under the Creative Commons Zero (CCO). This means that you can modify, copy and distribute the photos the way you want. 'All photos are hand-picked from photos uploaded by users or sourced from free image websites'.

5- [Kaboompics](#)

Kaboompics is a photo search engine that allows users to search for and access tons of free stock images. Photos are available for free download in different formats.

6- [Unsplash](#)

'All photos published on Unsplash can be used for free. You can use them for commercial and noncommercial purposes. You do not need to

ask permission from or provide credit to the photographer or Unsplash, although it is appreciated when possible.'

7- [Negative Space](#)

Another good website that provides high-resolution free stock images for both personal and commercial use. Images are CC0 licensed.

8- [Gratisography](#)

'Free high-resolution pictures you can use on your personal and commercial projects, free of copyright restrictions. Click on an image to download the high-resolution version. New awesome pictures added weekly!'
