AGENDA ITEMS

Item/Presenter/Time Allotted

1. Discuss the request for allowing individual programs within programs – athletes wanting reduced schedule to what is currently offered.
 - Coach Lambert has expressed his desire to maintain the 5 and 6 day/week program as advertised. It becomes logistically difficult to manage line-ups when people do not regularly attend or only attend certain days.
 - Registration has already begun with over 20 families already signed up. It would be unfair to offer different schedules mid-stream.

MOTION: To maintain the advertised program as decided upon at the June 11, 2024, with a 6 day/week Varsity and 5 day/week Novice offering.

VOTE: 8 votes in favor, 0 against. **MOTION PASSED.**
