2. Review of Election Rules and Information

General Election Changes Due to Coronavirus Pandemic (Updated Aug. 21)

ABSENTEE BALLOT BY MAIL

- Kentuckians concerned with contracting or spreading COVID-19 can request a ballot by mail.
- An online portal will launch within the week to allow Kentuckians to request a ballot by mail. Ballots can be requested through the portal through Oct. 9. After Oct. 9 mail-in ballots may only be requested from the County Clerk for medical emergencies.
- Mail ballots must be postmarked by Election Day, Nov. 3, and received by Nov. 6.
- Drop boxes will be available for Kentuckians to return their mail ballots if they are concerned about postal delays. County clerks will determine these locations.

EARLY VOTING

- Beginning Oct. 13, three weeks before the election, every work day between Oct. 13 and Election Day, and every Saturday for at least four hours, every county clerk will provide a location for safe in-person voting.
- Early voting is not absentee voting – anyone can vote early for any reason.

ELECTION DAY VOTING

- County election officials will decide election sites on Election Day. The State Board of Elections, Secretary of State and Governor will approve each plan.
- Every county will have at least one voting super-center, where everyone from the county can go to vote, regardless of his or her precinct.

VOTER IDENTIFICATION

- Kentuckians who were unable to get a driver's licenses or photo ID due to the pandemic because their clerk's office was closed, or because they were afraid

of exposing themselves to COVID-19, can sign a document explaining this concern and cast their ballot.

3. Ideas for GOTV efforts focusing on COVID-safe efforts (please add ideas below)
 - Someone to develop Infographics on Canva for distribution on Social media Channels (inspiration LWVUS 100 ways to prepare for the election)
 - Using Map the Vote app to distribute large sticky note" with voting info (sticky note would need to be developed/printed--- \$)
 - PSA- RadioLEX, WRFL (other station contacts?)
 - Distribution of materials, perhaps using channels established with Restoration of Civil Rights Outreach Committee?
 - "Why I vote" Social media campaign (needs to stay non-partisan)
4. Develop plan for implementing GOTV.

Other Submitted Questions:

Would it be possible to set up outdoor voter registration booths at various locations around Lexington. . . areas such as parks, community centers, low income housing centers. A lot of people don't have access to computers or smart phones or simply don't know how to register online.

How do we best help people who want to get an absentee ballot?

How much help are we legally allowed to give a person in filling it out correctly?

If the absentee ballot is taken to a drop box or to the county clerk (rather than mailing it), does the person get a receipt that proves their ballot was received?
