

# Vision Board Project

Focus: To create a vision board that outlines all your hopes and dreams for your future! (Detailed Criteria is below)

---

Please note that you can choose whatever medium is most convenient to you. You can do this digitally, or have a physical text. Just provide weekly progress on your portfolio by adding the date to your post.

Check out Ms. Capalad's Portfolio for her example.

*Note from Ms. Capalad:*

*The pictures on my portfolio is the vision board I made for grade 10. I made a large "wallet" that included all these cards that represented my life. Obviously I was reaching for the stars but some of these things came true to some aspect.*

*Also when my sister created her vision board, we found it a few years ago and she realized that she actually achieved so many of the things on her board. (ie: trip to hawaii -she got married there, architecture and design --she is an interior designer now!)*

*Have fun with it! It will be something you can look back at in a few years!*

	<b><u>Criteria &amp; Instructions:</u></b>
Purpose	State the purpose of your vision board. How do you think it will help you achieve your goals? How did you design it so that it will?
	Provided numerous networks that would help you with these goals. (Names, Companies, Organizations, Training, Classes etc.)
	Apply one of the things you learnt from a guest speaker to an aspect of your Vision Board. How did this information help you in this section of your vision board?
	Name at least one challenge that might occur in reaching this goal? Can you think of a possible strategy towards it?
	Talk about how they are currently trying to achieve these goals
	Include all of the 5 life areas and a healthy balance of all 5
	Put effort and detail in their exploration of their goals and dreams
	Provide other options for plans -not just one career or life decision
	Present to the class either through a video, or NearPod slideshow/audio -Upload this to your portfolio -Share your portfolio link -Comment on others's video and portfolios -provide positive feedback and connections (at least 5 peers)
