PaRK Parents Association and Retiro do Burel Partnership

Retiro do Burel overview

Retiro do Burel is located at the heart of Serra da Estrela, at an altitude of 1,570 metres. It is a 2-bedroom accommodation with 100 sqm, including two WCs, that can comfortably accommodate up to six people. Here, you can enjoy the best that Serra da Estrela has to offer, with all the amenities needed.

From our balcony, you can enjoy the magnificent view that extends from Serra da Gardunha to the highest point of mainland Portugal. We dare to say that it is, without a doubt, one of the accommodations with the best view of Penhas da Saúde... Come check it out for yourself! You can also enjoy our private outdoor patio, particularly in the Summer time.

Penhas da Saúde is the closest village to Torre, the highest point in mainland Portugal, and home to the only ski resort in the country. You can find several restaurants within walking distance from our accommodation. We are also located close to the ice rink, as well as the natural pool of Penhas da Saúde. In 15 minutes (by car), you will be in the center of Covilhã, where you can find all amenities such as supermarkets, pharmacies, hospital, etc.

Come and discover everything Serra da Estrela has to offer!
