Library Volunteer Training

Please join the library committee on Friday August 15th in the library classroom
From 8:05-9:00 A.M.

All volunteers must attend a training during this school year. You do not need to be EIM to attend, but will need EIM to volunteer after the training. This is not the only training available for library volunteers, just the first!

Annual Health Screenings Oct 21 and 22 - Volunteers Needed

We are seeking volunteers for our Vision and Hearing Screenings scheduled for mid-October. Screeners will require EIM and training with the state, except for MDs, who are exempt. We also need "kid wranglers" to assist with student movement and chaperoning (EIM only).

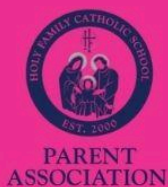

Doctors Skibetanski and Dematta were of great help last year and allowed us to complete screenings within 1 day! If you are an MD we would love to welcome you to the team!

To volunteer as a screener, please register for a class using the instructions below:

1. Visit the Region 13 E-Campus page ([Region 13 E-Campus](#)). If you don't have an account, you'll need to create one.
2. Once logged in, search for the required class using keywords like "VISION," "HEARING," or "SPINAL."
3. Select either the Certification or Recertification class based on your current status. Certification is valid through the calendar year in which it expires.
4. Sign up genius - ([CLICK HERE](#))

Note: Classes are free, and multiple options are available until mid-October.

For questions, contact Willem Strittmatter at willem.strittmatter@gmail.com.

HOLY FAMILY CATHOLIC SCHOOL PARENT ASSOCIATION

WELCOME LETTER

Dear Holy Family Parents/Guardians,

Welcome to the 2025–2026 school year! I am honored to extend warm greetings on behalf of the Holy Family Parent Association (PA). Whether you are returning or new to our school community, we are grateful for the opportunity to walk alongside you in the faith and academic formation of our students.

The PA is a volunteer-led organization that includes all parents and guardians of our school. We are dedicated to fostering a strong partnership between families and our school staff and teachers, in support of a faith-centered, high-quality Catholic education.

Our goal is to nurture our beloved traditions, build community, support our teachers and staff, and ensure every child thrives in our school. We believe that when families are involved, our school becomes stronger for everyone.

To our returning families, thank you for the time, energy, and heart you shared last year. You helped make so many wonderful things possible. To our new families, we invite you to get involved in whatever way is meaningful to you. Whether it's volunteering, attending events, or offering your talents behind the scenes, your participation makes a real difference.

To stay informed and engaged, we use three communication channels:

1. **The PA website (Scan QR Code):** Updated regularly with event details, photos, announcements, and general PA information.
2. **The Facebook Private Group (Scan QR Code):** This a great resource for timely updates on meetings, events, and school happenings.
3. **School Calendar and newsletter:** All PA events are posted in the school's calendar, and the PA has a dedicated section in the newsletter. Be sure to click "Parent Association" tab to review the latest updates and information!

*Occasionally, email may be used to communicate additional information.

May God bless each of our families with joy, peace and a fulfilling school year. We look forward to working together to make Holy Family a place where we form the future generation of Saints!

Maribel Zarzar

**2025-2026 President
Holy Family Parent Association**

**We hope to see you soon at the school
