

9-12 Language Revisions Transcript

Let's take a look at the grade-band specific change in the 9-12 grade band for language.

In L.9-10.3, parallel structure was added. Parallel structure was part of the 2012 L.9-10.1 standard, but with the revision to L.1 and the creation of the continuums, the writers moved this to L.9-10.3.

Let's take some time to reflect. Return to the modules tab and click on "Impact on Instruction" to complete your reflection document.
