

TABLE TENNIS HOLIDAY CAMP

Why Table Tennis?

Table Tennis gives a full-body workout and helps improve your hand-eye coordination and reflexes. This means that playing table tennis can help improve your strength, stamina, agility and speed - essential skills for any athlete. One of the best things about table tennis is that it's fun.

Olympic Sport

As an Olympic sport, Sydney Catholic Schools (SCS) wants to support its student athletes in achieving their potential. By providing this opportunity, students may grow a love for the game and pursue further representation.

Partnership

SCS and Table Tennis NSW have partnered to conduct this Camp opportunity

Things To Know

- The Table Tennis Holiday Camp (Camp) is open to students enrolled in Sydney Catholic Schools (SCS)
- Camp date - Monday 17 April 2023
- Venue - Macquarie University - Recreation Hall
