1. Welcome!

 - a. All comments/suggestions for DONS SLOs were compiled onto this one Padlet.
 - b. Teachers can vote for or against suggestions that they like/dislike by clicking on the “thumbs up” and “thumbs down” icons.
 - i. Teachers can also comment on the current suggestions if they would like or add new suggestions.
 - c. This is just a review of the last meeting and not a finalization of the SLOs.
 - i. Revision of the SLOs will continue as we work on our Mission & Vision statements, review school wide data, and review our SPSA.
3. Today’s main activity link: [Mission Statement Review Process: 2/28 Step 1](#). This survey can also be found on the [ERHS Focus on Learning Website](#)
 - a. **The purpose for this review process is to streamline the Mission Statement design process among all stakeholders; to ensure consideration of new ERHS developments such as 2:1 technology, organization and community changes, etc...; to define values and current objectives for all.**
 - i. **This will be an on-going process and not just a one and done.**
 - b. Access & discuss the information in the mission statement review survey, and as CT/grade level groups (if applicable) add comments and selection choices.
 - c. Come back together as whole group to debrief, gather input/comments, and briefly discuss the next steps in this process:
 - i. Step 2: data from today’s Step 1 survey will be collected and shared; the survey results will reviewed and ranked in a new survey
 - ii. Step 3: data from Step 2 survey will be collected and shared; the survey results will reviewed, discussed, and narrowed down (at the leadership level)
 - iii. Step 4: draft mission statement will go to the staff for a final review
4. Questions/Comments/Additional Thoughts:
