

Tome Techfolio Competition

Instructions to Compete

Individual Event

Limit 2 entries per chapter

Objective:

Students will create a digital Techfolio including up to 25 of the activities listed in this competition description.

Anchor Standards:

- **CCSS.ELA-Literacy.CCRA.W.6** Use technology, including the Internet, to produce and publish writing and to interact and collaborate with others.
- **CCSS.ELA-Literacy.CCRA.SL.5** Make strategic use of digital media and visual displays of data to express information and enhance understanding of presentations.

Method of creation:

Any digital techfolio program may be used. Example techfolios could be a video, website, or online presentation (like BrainShark). The finished product will need to be in a format that can be linked to a public or shared URL.

Product should:

1. be in an online format
2. include evidence for each of the completed outlined items in the Digital Scavenger Hunt Section of these competition directions.

Judging

3. Items 1-18 students will earn points if the item evidence is present or not.
4. Items 19-25 students will earn additional points for the quality of the item created.
5. The overall creativity and digital challenge of the complete portfolio will additionally earn more points.
6. Please see complete rubric.

Submission limitations:

Each chapter is allowed to submit 2 individual entries.

Method of Submission:

Advisers will submit entries through the online Canvas Adviser Group. Directions will be emailed to paid chapter advisers prior to the deadline.

All entries must be submitted by:

No later than February 1 - Entries must be submitted by the Chapter Advisor -- Individual competition, only 2 entries per chapter (4-5), (6-8) and (9-12)
