

Improvement Lab: Digging Deeper Plan

As we explore each topic, we will leave time for you to reflect and plan follow-up activities to undertake at your site. As you create plans, indicate the stakeholders involved in the last column to ensure that you involve each group in at least one activity.

Activity	Inquiry Plan / Key Questions	Timeline	Stakeholders (Students, Parents, Staff, Leadership, Partners, Other)
Explore root causes by completing a fishbone diagram			
Investigate data through the New Visions Data Portal			
Expand perspectives through empathy exercises (choose one)
