

# TheInsaneFox's Writing Commissions

## **Intro**

Hey everyone! This is TheInsaneFox, or Foxy as many of you know me. I've decided to open writing commissions to help pay some extra bills that have popped up, so I'm very grateful to have you all here! You can find examples of my work here:

<https://archiveofourown.org/users/TheInsaneFox> as well as some threads I've posted on my [Twitter](#) and drabbles on my [Tumblr](#).

*Pricing is \$20 per 1,000 words for SFW, \$25 per 1,000 words for NSFW. For example:*

If you want to commission 2,000 words, it will be \$40 for SFW and \$50 for NSFW.

For anything longer than 5,000 words, we will have to discuss a private rate because that will take a lot more time for me to write and I am doing this between my two other jobs.

*\*\*Right now I will keep 2 slots open at a time for commissions. Once those are filled, I will post on my Twitter and Tumblr to let everyone know they are open again.\*\**

All payments are in USD and will be accepted through PayPal or Ko-Fi.

## **Fandoms I Will Write For: (I may write for others, these are just the ones I'm familiar enough to be comfortable writing for them)**

- Sk8 The Infinity
- Nu:Carniva
- Honkai: Star Rail
- Yuri on Ice
- Kingdom Hearts
- Promare
- Hades
- Mo Dao Zu Shi (MDZS)—I don't know anything about the rest of the MXTX universe though
- Final Fantasy VII, X, XIII, or XV
- InuYasha
- Legend of Zelda (Specifically OOT and MM era, but also can do BOTW/TOTK)
- MCU
- Sailor Moon
- Original work (will need all the details of any characters that you want to be included, a strong prompt/theme, etc.)

Other fandoms I am familiar with but have not gotten heavily involved in: The Raven Cycle, All For the Game Series, The Magicians, SnK, Fruits Basket, Ouran High School Host Club, Vampire Knight, Harry Potter, The Mortal Instruments, Game of Thrones (TV only, never read the books)

If there's a fandom you want me to write but it is not listed here, please feel free to ask and I will let you know if I am comfortable writing for it!

I will also do just about any ship (with a few exceptions). Again, please ask and I am happy to discuss!

### **What I will write:**

I will write a LOT of different things. I'm pretty open, with the exceptions of my Will Not Write List below. My main condition is that **YOU MUST BE 18+ TO COMMISSION ANY NSFW WRITING FROM ME. NO EXCEPTIONS.**

### **What I will NOT write:**

- Lolisho
- Horror/Gore
- Lactation kink
- Mpreg
- Bestiality
- Watersports/scat
- Age play
- Rape/non-con

\*I reserve the right to reject themes/prompts/ships/etc. If it makes me uncomfortable or I just don't like it for whatever reason and can add to this list or drop a commission at any point. If I decide to drop the commission, I will refund your money.

### **Payment:**

50% of the commission is due upfront. Once I receive payment, I will discuss the specifics of what you want in the story. I will send updates as I go and once I finish the first draft, I will send you a link to the Google Doc to go over and leave comments about anything you either like or want to be changed. Once we agree on that, the rest of the payment is due. I will share the PDF with you one week before I post to AO3. If you don't want me to post your commission online, an additional fee will be charged.
