Session Title:	Building Biliterate Brilliance: Practical Moves for Emergent Bilinguals' Success
Session Description:	This session examines research-informed instructional strategies designed to advance the linguistic and academic development of emergent bilingual students. Emphasis will be placed on fostering biliteracy, promoting rigorous academic discourse, and cultivating equitable, asset-based learning environments that support multilingual learners' full linguistic repertoires
Bio: Janet Rojero M.Ed. Curriculum Associates Impact Specialist Janet Rojero is an accomplished bilingual education leader with a proven track record in driving instructional excellence and advancing bilingual education. Her career is defined by a steadfast commitment to empowering educators and creating equitable learning environments that affirm and support multilingual learners. Janet brings deep expertise from her previous roles as a Professional Learning Specialist, Founding Assistant Principal/Resident Principal, Bilingual Instructional Specialist and Dual Language Coordinator. She has successfully led large-scale initiatives in curriculum design, instructional coaching, and educator development, consistently advocating for linguistically inclusive practices that elevate student achievement and educator capacity. Janet's expertise and commitment to educational equity have earned her the opportunity to present and deliver keynote addresses at national conferences. In these spaces, she shares actionable insights and research-aligned strategies that strengthen bilingual instruction and inspire systemic change. Her work reflects a deep belief in the transformative power of language, culture, and high-quality instruction Picture:
