

Nuclear Institute's Young Generation Network Annual Day Seminar and Dinner: Information for a Business Case

The following information is presented as guidance for delegates who need to provide a business case to their respective employers to put forward the benefits for attendance to this year's Annual Seminar and Dinner.

SEMINAR

When: 31st October 2024, 09:15 - 16:45

Where: DIECAST, 51 Ducie Street, Manchester, M1 2JQ

Overview:

The Annual Day Seminar and Dinner is the YGN's flagship event which moves to a new location each year and provides the opportunity for delegates to hear the latest developments in our sector from leading experts as well as developing a professional network of contacts. Previous events have seen approximately 600 young professionals representing 70+ companies and organisations from across the industry.

The theme of this year's conference is *"Journey through nuclear: celebrating the past, embracing the present and driving the future"* and there will be a range of presentations from professionals across the industry. Presentations will focus on the nuclear industry's journey through time, exploring pivotal moments in our history, drawing invaluable lessons that shape our present and inspiring innovations for our sustainable future.

The aim of the seminar is to:

- a. Provide an update to delegates on the latest developments in the sector.
- b. Showcase the wide range of projects within the nuclear industry, developing young professionals' knowledge of the sector's technology.
- c. Encourage young professionals in the industry to meet one another and develop their interpersonal skills in a professional setting.
- d. Give attendees the opportunity to ask questions to presenters.

The event is aimed at young professionals across the nuclear industry and / or those new to the sector. A lunch will be provided during the seminar, and dietary requirements will be catered to.

The final seminar agenda is uploaded to the event webpage: [YGN Annual Day Seminar and Dinner 2024 \(nuclearinst.com\)](https://nuclearinst.com)

DINNER

Following the day seminar, a dinner is also being planned which will provide further networking opportunities for attendees, as well as a raffle where money will be raised for a local charity.

When: 31st October 2024, 19:00 - 01:00 followed by an afterparty until late at a local venue.

Where: DIECAST, 51 Ducie Street, Manchester, M1 2JQ

ACCOMMODATION

Remember to consider the cost of accommodation and travelling to the event, if required.

We have worked with Intelligent Venues, who can offer a range of Manchester rooms at special rates.

Please see <https://drive.google.com/drive/u/2/folders/1byu9Wqx4ZA873xFO90NT8Aa0kYnv1pPc>

Depending on your line of work, e.g. consultancy, you may want to calculate the revenue loss your employer will endure based on your charge rate as a result of your attendance at this event. If you require any additional information, please e-mail Sarah D'Lima (YGN Chair: chair.ygn@nuclearinst.com).
