

In this AU, three of them have memories of their past lives. But Kyogo decided that he won't be a bad father and husband like back then, he uses his second chance to actually make a loving family.

So this time, Kyogo has a good relationship with all of his family members, even with Shizu, too.

Kyogo also starts to appreciate Sanemi more, as he was the one who worked hard to keep the family safe (from Kyogo).

But along the way, he loves Sanemi more than he should be.

Especially after realizing how beautiful Sanemi is, as he inherited his mother's beauty, too. Shizu and Sanemi are his type.

At first, Sanemi was wary of Kyogo's sudden redemption arc. But Sanemi thought why not, as long as he doesn't hurt their family again.

It's nice to have an actual caring father figure for once, to have Kyogo giving him more attention and affection.. until it wasn't just "fatherly affection" anymore.

One day, Kyogo finally took a step further: he took Sanemi's virginity.

Not in a drunk state, both are willing to do it. Kyogo said it's "sex education" from a parent figure.

Sanemi was uncomfortable with it but it wasn't so bad, he gets the first experience of taking a dick in the ass. A huge meaty dick. Not to mention, Kyogo being gentle for real because he doesn't want to scare Sanemi off or traumatize him.

Sanemi felt guilty that he kinda betraying Genya's love, but he also gets addicted to be fucked by his dear father.

He was like, "So this is what Genya feels when I breed him?"

Thus, begins the forbidden dadson (and brothers) incestuous relationship..

Sanemi is Genya's lover, but his first time wasn't with Genya and he wasn't a top either. Kyogo took Sanemi's virginity. Sometimes he still has sex with his firstborn when everyone is asleep or nobody is home

One time, Genya accidentally sees Sanemi is straddling their father in the bedroom. Kyogo's cock deeply buried in Sanemi's ass, cum leaks out from his hole as Kyogo breeds him.

Kyogo realized Genya is watching them, so he grabs Sanemi's hips in a possessive way and makes him impales himself on his hardening cock. He starts fucking Sanemi again for the next round. Sanemi can only moan from pleasure.

Genya can't stop looking at how sexy Sanemi is when he's bouncing on Kyogo's dick.

They finally reached climax as Kyogo cums inside Sanemi again. Thick white fluid overflowing from his hole. When he wants to pull his dick out, Sanemi stops him.

"No, don't pull it out now!"

"What? You want to keep all of my seeds inside? Aw never thought you loved to be bred so badly!"

"Shut up, old man.."

Kyogo holds Sanemi closer,

"Sanemi.. you know I love you this time. Be daddy's bride, hm? I'll make you and your mother happy now."

"What about Genya? I can't leave him for you."

"You can still be his lover AND be my wife. So, marry me, yes or no?"

Instead of answering, Sanemi just pulls Kyogo into a deep kiss. Finally he obtains his parents' love, even if it's a twisted love.

In the middle of their sweet making out, Sanemi begins to doze off. They have done rounds of passionate sex for hours, he feels exhausted but satisfied.

Kyogo gently pulls his dick out from Sanemi's hole, so he can move his son into a more comfortable position in his arms.

Genya can see Sanemi's twitching and gaping hole now. Lots of Kyogo's thick cum spilling out from it, leaking out on Sanemi's smoothly white inner thighs and onto the bed sheet.
