

Shannilea Schliffer Eulogy

We are gathered here today about the death of shannilea schliffer. A liveful and smart young girl who died on the day of july 30,2021 from the stress of school. Shannilea was a very active and kind person. She played all kinds of sports such as basketball, soccer, flag football, and she ran track. She loved children and desired to have some of her own one day. She was also a big sister to two younger sisters and a twin. Two little sisters that she adored and loved very much and a twin that brought her joy but also a headache and a mom that also gave her a headache but would do anything for her. She was also a loving and caring person who showed everyone nothing but kindness and joy. IN MEMORY OF SHANNILEA SCHLIFFER
