

Virtual Job Shadow Career Exploration Program

PHS Career Center

Resources

Now is the time to plan for your future! Plainfield High School offers students an excellent online career planning and exploration resource: <https://www.virtualjobshadow.com> . This program features real people in real careers providing students with relevant information about hundreds of careers. The program also provides information about the education or training required as well as the skills needed to succeed in a career. Employment opportunities in our area as well as any other state are also available through this program. The site posts all of the current job openings through Indeed, an employment-related search engine for job listings.

Through this program students can:

- Explore and compare hundreds of career options.
- Search and compare colleges.
- Obtain information about certifications, licenses, apprenticeships and degrees.
- Search for jobs and internships.
- Create a personalized career plan.
- Set long and short term goals.
- Take career interest assessments.
- Create a resume.

Check out this program and become workforce ready!
