Adams 12 GT Parents Group

Grant Application for In-School GT Programs

Program Summary

The Adams 12 GT Parents Group Leadership Team realizes that resources for school GT programs and school parent groups tend to be limited. In an effort to support this community, provide enrichment and learning experiences, advocate for GT programming, and provide networking opportunities, the GT Parents Group provides programming throughout the year for district families. We realize that it is also important to build community with GT students and families within each school. In order to build these initiatives, the Adams 12 GT Parents Group is offering small grants (approximately \$50-\$500) for programs and materials within schools throughout the district.

Applications Guidelines

To be considered for a grant in the 2025/2026 school year, please submit an application between 9/8/25 and 11/7/25. Notification of awards will occur by 11/21/25. Funds should be used by 4/10/26 and must be used within an Adams 12 Five Star School to support gifted education and/or GT-identified students. Completed applications, signed by the school GT Coordinator and Principal, should be emailed to info@a12gifted.org, and acknowledgment will be returned through email to the contact person listed on the application. Acceptance of incomplete applications or applications received after the deadline will be on a case-by-case basis and at the sole discretion of the Adams 12 GT Parents Group Executive Board.

Any/all awards are at the sole discretion of the Adams 12 GT Parents Group Executive Board. Depending on the merits of applications received (as deemed by the Adams 12 GT Parents Group Executive Board), the number of applications, and the amounts requested, it is possible that not all requests will be funded. Any award received is one-time only, and subsequent requests will require a new application, pending continuation of this program. If funding is received, the group must supply a brief report within 30 days of funding use, via a Google form that will be sent along with notice of grant approval.

Application Information

This application is expected to provide basic information and should not be especially time consuming to complete. Our goal is to support the growth of our GT community and provide resources, not waste your valuable time with paperwork. Please provide the needed information, but be brief. ½ to 1 page may be sufficient information depending on your request. We will contact you for more information if needed.
