COMMITTEE ON INSTRUCTION AND CURRICULUM

20-21 CIC 81

Monday, April 19, 2021

TO: The Academic Senate

FROM: Committee on Instruction and Curriculum (CIC)

SUBJECT: 20-21 CIC 81: Enrollment dates for intrasystem concurrent students

PURPOSE: Approval of the Academic Senate

ACTION REQUESTED: That the Academic Senate approve the enrollment dates for intrasystem concurrent students. Upon the president's signature, this shall be effective beginning Fall Semester, 2021.

BACKGROUND INFORMATION:

In [20-21 CIC 7](#), the Academic Senate revised the Priority Registration. In the aftermath of the pandemic, it appears that some CSUEB students are unable (or unwilling) to return to campus in the fall semester for in-person classes. APS is working with other CSU campuses to allow our students to take classes at other campuses to facilitate graduation. However, it is not clear when CSUEB would allow reciprocal [intrasystem concurrent enrollment](#) for students from other campuses. We propose the following change to the Priority Registration policy (additions marked in red) that would permit intrasystem concurrent enrollment to occur at the same time as AB386 (online intrasystem enrollment) students. This will assist our attempts to persuade other CSU campuses to give spaces to our students who live near other CSU campuses.
