

Plant Table

Student A	Student B
Believes these are ALIVE because it grows and has levels of organization.	Believes these are NOT ALIVE because it does not move and is not reproducing.

1.What's your CLAIM:

"I agree with Student __ who believes....."

2. Use EVIDENCE to support your CLAIM:

Citation/Where did you find this evidence? Video (timestamp)? Book (page #)?

3. Disprove the COUNTERARGUMENT:

State the opposing argument to your own.

Evidence to disprove the counterargument

Citation/Where did you find this evidence? Video (timestamp)? Book (page #)?
