

Vitals in Transition Zooms 2021-22

Prairie Lakes AEA Transition Coordinators host Zoom meetings each month for our PLAEA educators. Our Transition Coordinators, Tammy McKimmey and Laura Reinders, provide important insights on specific topics related to transition. There is also a time for questions. Zooms begin at noon and are held one Tuesday each month. All sessions are recorded with the links to the recordings and the slide deck included below.

2021-22 Schedule
