

O DPC 2-Line

A 2-Line can be done after extra O DPC if ILJO are in the first 5 pieces (excluding the O on hold). There are 2 required setups:

J/L < I

I < LJ

This leads to TSZ 7th, with 3 minimals. L and Z are fixed placement. The last solution can get you a T-Spin.

Early I Late O, T
base

Early I Late O, J
base

Late I Early O
(T-Spin)
