This will be a great informative Camp for all level of Officials!!! Learn from some of the best Clinicians. You will learn to work the game better, learn how to communicate with Coaches, communicate on the floor with your partners. This Camp will make you a better Official.

Men's Supervisor Mitch Bevans will be in attendance both days observing and hiring officials. There will be several spots needed to fill out the staff for next Season. You will not find a better chance to move to the next level in your officiating career. If you are wanting to improve your **High School** or **College** schedule for next Season, you do not want to miss this Camp right before the Season Schedules get Assigned. I work with several High School assignors in regards to officials I observe at my Camp. Many high school Officials have improved their high school schedule by attending this camp as well.

You will also be officiating games with current REGION IX Staff Officials, so it will be a great learning experience for ALL level of officials! If hired, you will be assigned games for the 2025/2026 Season, which will start approx. 2 weeks after the Camp!!! DO NOT MISS YOUR CHANCE!

Please Contact me to register and confirm your spot in the Camp!!
