

Ghosts of Christmas Past
Get Over It
November 3, 2024

‘Those with good sense are slow to anger, and it is their glory to overlook an offense’– Proverbs 19:11

Your _____ is too short and your _____ is too big to live offended.

You have a _____ to help grow Christ’s Church.
_____ have a high calling.

_____, or moving on from, offenses is _____ the same as ignoring them or pretending they didn’t happen.

Overlooking is an act of _____.

‘Overlook’ in our language comes from two Hebrew words that literally mean to ‘_____’.

_____ is with you!

We need to get over being _____ offended.

We judge other people by their _____ but we justify ourselves by our _____.

We need to get over _____ offenses (with God’s help).

Two Choices: _____ them OR _____ them.

Remember the Lord _____ us.

Allow God into your life to help _____ your standards for yourself.

You are _____ by God, you are in God’s _____, you are in this _____ and _____ for a reason.

Reflect on these questions this week:

- What would it look like if we had compassion for people rather than being offended?
- What is something that you find easily offends you? How can God help you get over that pattern?
- How can you live into your high calling as a Christian in the short time we have to help build Christ’s Church?
