Lakshmi is part of the Class of 2028 at Tomball Memorial HS. She lives in Texas and enjoys math and history because she likes solving problems and learning about the past. One of her favorite movies is Ocean's Eleven, which she loves for its smart plot and an all-star cast. In her free time, she likes playing tennis, spending time with her dog, and hanging out with friends and family. Lakshmi is always curious and likes picking up new things, whether it's in school or just for fun. She enjoys helping others and being someone people can count on, and she always tries to do her best in whatever she's doing.
