Description

- ❖ The 'ame stands at a height of 5'2. Despite her petite and curvy figure, she does have toned arm, leg and abdomen muscles.
- ❖ Long black locks of hair hang past her hips. She often keeps it tied up in a ponytail, some hair left out to frame her face with her bangs.
- ❖ Her complexion is a caramel brown with little to no scarring.
- ❖ There are a number of tattoos and status Ilmyumier adorning the elfess' body.
 - ❖ A heart on the back of her neck out of tiny roses.
 - ❖ A small red petalled rose with a green stem above the left side of her chest.
 - ❖ Pink blossoms on a dark brown branch on the back of her right shoulder.
 - ❖ A line of flowers curving along the top left side of her ribs.
 - ❖ A few light pink blossoms wrapping around her upper left arm, connected by a small branch. There's also a couple of petals falling from the blossoms.
 - ❖ the Aureon Ilmyumier, an Ame'lie tree, across her entire back in green ink. Branches just barely brush her sides, the leaves stretching out across her skin. Branches and leaves also

go down her right arm, ending just above her wrist,, and a few leaves and a branch rest across the top of her left shoulder. On her side branches curves around the top of the right side of her ribs. She also has branches stretching down from the bottom of the tree to go down the side of her hips and swirl around her thighs.

- ❖ Teal flowers on a vine starting on the back of her hand and swirling up her wrist and around her forearm.
- ❖ The blue outline of half of a dolphin with waves beneath it.

Personality

Personality: Leilani has a warm energy about her, and she can normally be found with a smile on her face. It's rare for her to be found without one. She is kind, though she will often speak her mind. However, she will do so in a way that is considered polite. There is a mischievous side to her, though it mostly comes out around certain people.

Quirks: She sometimes twirls her hair when she's in thought.

Further Details: Her presence is rarely anything but soft and warm. Her frowns are rare, but usually it is a frown of concern.

Inventory

❖ Leilani wears a small gold chain around her neck at all times. Attached to the gold chain is a golden heart, polished until one could see their own reflection in it. In the middle of the golden heart is a similarly shaped ruby.

❖ She also wears a ring on the gold chain of her necklace. It is a diamond engagement ring with an aurum band. The diamond is almost rose-shaped. Engraved on the band is "As long as I cherish you, I shall never perish."

❖ For earrings, she wears two white pearl earrings, which are encircled by the subtle glimmer of white gemstone halos and a milgrain edge that adds some extra detail. It was crafted by the Daluon Family.

❖ On her left wrist is a bracelet made out of lapis lazuli, seeming to flow around her wrist like a deep blue river. It was also crafted by the Daluon family.
