PTC Meeting Minutes

Wednesday, October 28, 2026, at 11:15am, Greenhills Campus

Item #1 Welcome, Larisa Perryman

Corinne Petterson, Lisa Schirmer, Shannon Sullivan, and Laura Edwards in attendance

Item #2 Approval of September 23 Meeting Minutes, Amanda Murray - Kari Grischenko, Larisa seconded, Amanda in favor

Item #3 Principal's Report, Mrs. Johnson. The board will be here Friday for their visit. Positive feedback noted about improvements. This is report card season, lots of subs so teachers can assess students. As a school we are talking about gratitude and will link it to the canned food drive. The students would like to know the name of the songs so families can sing along with them. There is no update on the storage unit removal.

Item #4 Grade Level Updates, PTC Teacher Representatives

- TK, Galica: Concluding all things pumpkin. Started assessments so will be doing reviews for the next weeks in preparation for conferences.
- K, Lobban: Just did a bunch of pumpkin items, read and wrote about them, did art with them. Wrapped up a unit on weather and trees. Phonics moving along, learning more letters and words and putting them together.
- 1, Shafto: SHOUT OUT TO HOSPITALITY 📣 for all the awesome luncheons that you have provided so far! We appreciate the delicious offerings and a day not to have to pack a lunch! 😄 Math - Solving for the unknown. Students are learning strategies to find the unknown part or whole in an equation and number story. Science - We are finishing up Day & Night Time Patterns. We have learned why the sun is in different places throughout the day, why shadows look different at different times of day, and the stars are always shining even at night. We are beginning assessments for report cards and we are excited to see academic growth. As always, thank you for all of your support.
- 2, Brown: Wrapping up 2 digit addition and moving to subtraction. Phonics - R controlled. Are working on compare and contrast and opinion in writing. Animal adaptations unit and how animals survive in the world. Yay for second grade garden.
- 3, Bousfield:
- MA, Freer:

Item #5 Treasurer's Report, Kari Grischenko

Checking-XXXX (*3122)	$25,761.45
Checking-XXXX (*4904)	$135,597.52
Paypal	$0.00

Scholastic Account $6,662.16

Total Bank Accounts $168,021.13

Total Deposits since last PTC meeting = $29,748.05

Total Expenses since last PTC meeting = $10,226.80

Recent Events:

● As of 10/15/26, we raised $41,797.79 from Jogathon

● DADs Club Movie Night raised $323.55

● $1,000 Donation from Blumenfeld Family

- 2025 Taxes are done and ready to be signed

Item #6 Recent Events, Larisa Perryman & Nick Russell

- September Hospitality (Taco Bar), September 30 - very well attended
- Cubs in Training, October 7 - Larisa, Glynnis, & Nick got the kids familiar with the fields
- Jogathon, October 9 - went well. Would like to get the field mowed before the Jogathon next year, and need a couple more volunteers to help. Hospitality was too much for 1 person, the morning of trying to get everything picked up and ready. Fundraising, while we made $10,000 less, that difference was attributed to sponsorship. Our kids fundraised the same amount. Next year will make a Jog 101 flyer to give to TK/K families and ALL teachers. More guidance on jog swag.
- All School Reads, October 12-23. Amanda helped with changing to 1 book per household which went over well. We have not heard any negative feedback about the book. PTC is proud to sponsor this.
- DADs Club Movie Night, October 16. Showed GOAT, sold a few fewer pizzas, it made money. Great community event and some new dads volunteered to help.
- Cubs Night Out: Chick-fil-A, October 20. Good turnout, will ask to adjust to 4:30-7:30 next year as a number of people come in at 7.
- October Hospitality (BBQ), October 21. Teachers enjoyed it, great food presented

Item #7 Future Events, Larisa Perryman

- Costume Parade + Fall Parties, October 30
- EUSD Board Visit + Hospitality, October 30. Hospitality hosting an additional continental breakfast
- Phil Tulga Assembly, November 4. Math and music combined, covered under prop 28
- Harvest Feast, November 13. Signups going out in today's Paw Prints. This is a volunteer event, cannot show up just to observe
- Cubs Night Out: Chipotle, November 18. 4-8pm by Raley's
- Holiday Helpers, _____. Jen Gilmore and Lesli Couper will head this
- Runnin' for Rhett's MaraFUNrun, December 5. 21 people signed up for the race so far, over 100 kids out during lunch recess so far.
- Winter Wonderland, December 12. Paula and Ayesha leading.

Item #8 Room Parent Guidelines and Budget, **VOTE - Nick moves to approve, Amanda seconded, Kari and Larisa in favor**

-Jog swag, 2 classroom parties, teacher appreciation, doors, should come out of the room parent budget.

-Additional doors can be considered outside of the classroom door, will need board review

-Excelsior is the only other school whose PTC provides funding for class parents. Excelsior provides $75 per party per class, for 3 parties per year.

-Question about garden docent - PTC does not support garden docent at this time as it is not something that every student participates in. Teachers can use grade level startup money or $1,500 large project. Room parent can provide funds from donations.

Item #9 Open Forum/Questions, Larisa Perryman

- Shannon: Bathrooms are a problem - some children do not want to use the bathroom due to cleanliness. Can we get a second custodian to come clean the bathrooms during the day?
- Shannon: Kids want to play on the grass? Helena: Grass is open for play Mon/Weds/Fri. The grass is muddy in some area with poor drainage, talking about planting a tree
- Shannon: Baseball, boys using the area inappropriately.
- Shannon: Water, kids don't want to drink it. The kinder one is so slow it doesn't spout out, and needs more pressure. Mrs. Johnson will put in a work order for the kinder fountain. As soon as the 2nd grade garden is done, we are planning to talk to Steve about the water.
- Shannon: 2nd grade garden, delay due to plumbing leak. The district wants to own resolving the plumbing leak.

Item #10 Next meeting date, Wednesday, December 2, 2026

Item #11 Adjourn
