

Dr.King's Realize the Dream

The Realize the Dream Award was launched as a campaign to celebrate and continue the legacy of Dr. Martin Luther King Jr. In collaboration with Legacy+ and the Drum Major Institute, Realize the Dream aims to earn 100 million hours of service within 5 years in honor of Dr. King's 100th birthday.

As one of the participating service cohorts, Pomona USD will award anyone who follows Dr.King's legacy in serving their community. This award is open to all students, staff/faculty, and community members. Each school is responsible for reporting their participants' hours each month on the provided timesheet. At the end of each school year (until 2029), hours will be tallied and awards will be distributed.

See below for hour requirements.

The hours served for the Realize the Dream Award may count towards other service learning awards (Points of Light Award, PVSA, Seal of Service, and Congressional Award).

Participants can choose their service campaigns to work on and promote. Participants are encouraged to participate in other cohort campaigns. Schools may start their own "Dr. King" club and work on the campaigns within the club.

For more information, please contact the PUSD Service Learning Coordinator and RTD Campaign Coordinator

Hour Requirements			
Age Group	Bronze	Silver	Gold
Elementary School	10 - 19 Hours	20 - 29 Hours	30+ Hours
Middle School	20 - 29 Hours	30 - 49 Hours	50+ Hours
High School/Adults	30- 49 Hours	50 - 99 Hours	100+ Hours
